

youth Only Auction

Presented By: NJWRC Youth Commitee

Introduction

This will be the third year the Youth Committee has offered rabbits that are only available to youth bidders. It is meant to help the YOUTH be able to get rabbits to improve their herds in the Golden Fleece Auction. Only YOUTH can bid on these rabbits. These rabbits are donated, with 100% of proceeds going to the Youth Committee. So, with that being said, we ask that if you win the bid on these animals and if you decide to move on or sell, that you offer to the donor first.

This year, we have three generous donations to the Youth Only auction. With one special donation from a youth. When a donor had to back out due to a tragic circumstance, and a call went out for help, Jordan Tucker was the only one to answer. How awesome is it that a youth stepped up to help the youth!!!!!! Very proud of our youth, always willing to help one another

Donors

Dave Arnold of Wool-f-Pack Rabbitry has generously donated to the youth-only auction every year. If you see Dave, please thank him for his ongoing support of the youth and the NJWRC. Dave's donation this year is a beautiful broken buck that is out of Wool-f-Pack Dean this year's rabbit of the year. This rabbit will definitely help improve your herd.. Dave is donating three rabbits this year. One to the Youth Only, One to the Rabbit Runner Raffle, and One to the Golden Fleece Youth Scholarship. The NJWRC cannot thank him enough. Dave has gone above and beyond.

Donors

Bill Medo of Medo-Crest Rabbitry is generously donating a Shaded buck. His weight is right at 3 lbs. If you need texture and have density, this buck is for you. Very well balanced boy, nice open ear, also nice ear length/ personality second to none. Also a self poser!! His wool is carefree, blow out and go! Very carefully linebred pedigree. This buck will definitely help your rabbitry. Thank you, Bill Medo, for generously helping the Youth Committee. He is always ready to answer the call when the club needs something.

Donor

Jordan Tucker of Tucker Farms Rabbitry is our Youth breeder who has stepped up to give back to the Youth. Super proud of this young lady. She is donating a new doe that will most likely be carrying Agouti. She is out of Crush, who is a brother to Shasta (BOG AOV 2024 National Convention). Her dam, Pie, is a half-sibling to JJ (BOSG Broken 2025 JW Nationals). Snow White will be a very young senior at convention (only 2 days over 6 months!). She already has a good wool cap and head on her. She has good ear placement, but I wish she had a bit more thickness to her ears. This doe is short and compact. She is well balanced all the way to the table. She also has good width throughout. I do wish she had a naturally higher head mount. She has good density and length to her wool. She still has a lot of maturing to do, but I think she would be beneficial for anyone's show team and breeding program. Thank you Jordan for donating a quality rabbit back to the youth!
