Notes on planning a Nationals show:

- The preference is to have the Nationals show prior to any other shows (i.e., the first time Woolies show is in the National show).
- Remember in choosing your show dates that people tend to prefer to take off fewer days from work.

- The NJWRC provides host clubs with a stipend of 1200.00, with the intention that this amount helps defray the cost of bringing in judges. This money is supplied upon request to the NJWRC Treasurer. A report on how the money was spent is submitted to the Treasurer after the show.
- The NJWRC expects that in the year before Nationals (starting in May), there be an ad provided for the FLUFF for each of 4 issues, starting with a “save the date” ad, and with increasing information over the course of the year. Newsletter ad submission dates are as follow: May 15, August 15, ● November 15 and February 15.
- Shows may be assigned cooping, or “carrier” shows, but some cooping must be provided for animals that are flown in.
