

Congressional Medal of Honor Museum

Founder's Society Agreement

I agree to membership in the Congressional Medal of Honor Museum **Founder's Society** by pledging \$1000 to be paid by December 31, 2019.

For and in consideration of this timely financial commitment, _____ as listed below will be placed on a plaque to be installed prominently in the museum. In addition, I allow the entity listed to be placed in a full-page advertisement citing support of the Congressional Medal of Honor Museum. The Founder's Society member will also receive a specially designated gift package from the National Medal of Honor Heritage Foundation, a 501c3 charity established in the State of South Carolina.

This document is intended to formalize an agreement with the member to establish two future commitments, as follows: (1) to cede a relationship permitting the future approach to the member in order to explore the extent of other support to be developed, and (2) to further explore other recommended support partners that the **Founder's Society** member may provide.

Authorized Signature

W. Thomas McQueeney, Chairman

Congressional Medal of Honor Museum Founder's Society

The Case for Support: To build our museum we have focused upon **Public, Private, and Corporate** goals of **\$15 million** each to raise **\$45 million**. We began with **Public Funding** and, though we have more to present, that area of funding is quite active.

Our initiation of **Private and Corporate Fundraising** will require the hiring of a professional team and a visionary document that inspires our proposed donors.

In the meantime, our Executive Board has proposed an outstanding program to jumpstart the process of private and corporate fundraising. The **CMOH Museum Founder's Society** is timely and consequential. It is meant to:

- Create community cohesion with a founding support group of dignitaries and luminaries.
- Edify the public entities who have placed their trust in our efforts.
- Initiate the **Conversation of Support** with the private and corporate community.
- Show substantial Support of the project to the Medal of Honor Society in their October 25 Annual Meeting in Tampa, FL.
- Develop a wide base of funding support within the community and state.
- Expand our Master Prospect List by the personal recommendations of the Founder's Society membership.
- Reward those who have supported us early in the process.

You are invited to participate in this special offer to recognize our early core supporters. There is no pressure to join; just an offer extended. The Founder's Society is a one-time \$1000 ask to be pledged by October 22, 2019 and paid by December 31, 2019 (or in two \$500 payments by March 31, 2020).

The designation entitles this class to be listed on the **Founder's Society Plaque** prominently located inside the **Congressional Medal of Honor Museum**. In addition, the full **Founder's Society membership** will be listed in a full-page advertisement placed in *The Post & Courier*. Each member will receive a special gift package and **Founder's Society** lapel pin.

The initiative is meant to open the conversation with the membership to determine his or her level of total donation commitment and/or that donor's ability to identify other private/corporate donors.

An optimum response is to accumulate **100 Founder's Society members by October 22, 2019.**
