**DECEMBER 9TH @ 1PM**  
 &  
**DECEMBER 10TH @ 12P**

A white woman yells rape and Tulsa Police are quick to lock up the black man with no evidence. A black woman with evidence yells rape and the white man keeps his freedom.

**WE ARE DEMANDING JUSTICE!**  
 Justice for Pamela Smith  
 Justice for Ricky Wright Jr.

**322 N Greenwood Ave**  
**Tulsa, OK**

The Original Black Panther Party under General Mike Pain and The Elmer Geronimo Pratt Pistol & Rifle Gun Club under General Nick Bezzel are heading to Tulsa, OK to fight for justice for our brother Ricky Wright Jr. and Queen Mother Pamela Smith!

Why is a black man's freedom stripped from him due to the lie of a white woman? No evidence. No DNA. Two false identifications from the alleged victim.

Why is a white man free after a black woman with evidence speaks out about her rape and abuse? Evidence intake sheet shows evidence was checked in. Now evidence has turned up missing, possibly destroyed. It's a MARCH & RALLY for JUSTICE!! DECEMBER 9th & 10th in TULSA, OKLAHOMA!

The Original Black Panther Party under General Mike Pain put together a Community Unity Day in Aqueduct neighborhood of Newport News. For those who are not aware, this revolutionary work has various components. You may see us shutting down a store for treating our brothers/sisters poorly. You may see us patrolling communities, doing wellness checks on our people. You may see us training hand to hand combat. You also may see us hunting down Carolyn Bryant Donham, a fight that many aren't prepared for because they feel it's too harsh to seek justice against an old woman. You see us working hard and working together, standing on the values of The Black Panther Party for Self-Defense, and holding true to our word and loyalty - two important traits that too many self proclaimed leaders lack - many will have their subliminal messages about the work that we do, but at the end of the day this work is getting done and it's a beautiful sight to see. As for this militant group, we're going to keep going into the communities talking with the kids and fighting for the injustices that are taking place all over the country. Yes, we do it all.

## Poetry

It may look like I'm amused but deep  
down I am confused  
How so many people can hate me based  
off my hue

I'm no illustrator but allow me to paint a picture  
My drawing has been blood stained so I can't see the lines  
But in due time you'll be just fine  
Because as it goes you'll get better with time  
My people hurt and they hit us  
My people starve and they stiff us  
My people can make a way out of no way  
But they still try to find a sway to dismiss us  
We grow tired but never give up  
Our ancestors died so we can live so how dare we give up

## BLACK PANTHER CADET PROGRAM

The Original Black Panther Party under General Mike Pain is highly excited to bring forth our Panther Cadet program! These impactful sessions are led directly by General Mike Pain and yours truly (General Zuri). The mentality of our people has to change and what's a good way to begin that change? Instill important jewels into the minds of the babies so that when they grow they know who they are and they are foundationally sound in their black skin.

The Original Black Panther Party under General Mike Pain would like to thank Jacqueline Drewitt, Founder of Redeemed Women's Ministry for having our very own, General Kookie speak for their Domestic Violence event. Thank you for also recognizing The Original Black Panther Party of Virginia for the hard work that is being done all through the cities of Norfolk, Newport News, Hampton, Virginia Beach, Suffolk, and Chesapeake.
