

## **Submission Guidelines to PCHS Bulletin**

Articles should focus on an aspect of Platte County history.

Articles can be submitted for consideration in Microsoft Word via email attachment. Editor may request modification of length or omissions/additions/ clarifications to content per space available within the publication and/or submission guidelines.

Please avoid reporting on current events and exclude editorials or opinions on the same. Interpretation of content related to this is *entirely* based on the discretion of the bulletin editor and/or PCHS Officers.

Please exclude solicitation for funds for any organizations outside of Platte County Historical Society.

If you have an event to advertise, please consider publications with broader outreach as the Bulletin space and publication dates are limited and so focus remains on historical content and PCHS activities.

**Historical photographs are welcome!** All photos submitted by email should be in jpeg format. Please identify the time and place or people shown (as best can be done) for each photograph.

The Bulletin sometimes publishes around themes which may/may not be announced in advance.

Email article ideas and/or content and photographs -to be considered for publication -as attachments to [pchs1882@gmail.com](mailto:pchs1882@gmail.com) or send directly to the editor at [LKWittmeyer@yahoo.com](mailto:LKWittmeyer@yahoo.com)

If you do not have the facility to email the article or wish to submit a pre-published item, please send photocopy to **PCHS Bulletin Editor, P.O. Box 103, Platte City, MO 64079**. Include full contact information – name and phone number at a minimum. No submissions can be returned.

The bulletin is published three times annually excepting the possibility of unusual circumstances which might limit this goal.
