

2025 FALL DAY TRIPPERS

September 30

Tuesday at 10:45 AM

Cost \$30 (includes limo, tolls, parking)

The Virginia State Capitol Tour Limo will pick us up at Chuy's and return for a convenient and enjoyable lunch.

The Capitol was designed in 1785 by Thomas Jefferson. The General Assembly occupied the Capitol in 1788. The Virginia legislature voted to move the capital from Williamsburg to Richmond. Until a permanent capitol structure could be built, the Virginia General Assembly met in two wood-framed buildings at the corner of what is now 14th Street and Cary Street. These buildings were demolished before 1811, and a plaque now marks the site of these buildings. The Virginia State Capitol is a National Historic Landmark.
