

Fanshawe Public School SAFE RETURN PLAN

Fanshawe Public Schools has developed the following SAFE RETURN plan for the 2021-22 school year.

This plan is intended to allow our students to return to school safely. The COVID-19 pandemic and the response to it is continuously changing. We are in unique times that require flexibility and cooperation from everyone involved with Fanshawe Public Schools. In an effort to insure the safety of our students, faculty and staff and to prevent the spread of communicable diseases, especially during a pandemic or public health crisis, Fanshawe Public Schools implements the following protocol:

All COVID-19 related decisions (closures, quarantines, & events) will be guided by the LeFlore County Health Department to determine best possible action for our school and community. Fanshawe School will be using a modified version of the OK COVID-19 Alerts System County Color designations.

ISOLATION ROOM

- Any student or staff member who exhibits a fever of 100 degrees will be instantly isolated in a predetermined isolation room and immediately sent home. After being sent home, the student or staff member cannot return to school until one of the following criteria is met.
- Without COVID testing, the student or staff member must not be present at school for 10 days.
- After a negative COVID test, the student or staff member can return to physical school after 24 hour of being fever free with no fever reducing medication.
- The student will become a distance learner at home until he/she is allowed to return to school.
- The student will be counted as present because distance learning will be provided.

POSITIVE CASE-ELEMENTARY CAMPUS

- Consult with county Health Department to begin contract tracing
- Communicate to staff
- Communicate to applicable parents depending on classroom arrangement
- Thoroughly sanitize classroom
- Positive case classroom seating chart will be used to determine which students to quarantine, if the student has siblings, the siblings will be quarantined and become distance learners
- If the attendance of campus learners at the site and/or district where the positive case occurs reaches a 40% absenteeism rate we will go to distance learning for 14 days. The count starts on the first day of distance learning.
- Grab and go meals will be provided starting on Day 1 of distance learning. Delivery schedule will be dictated by the Child Nutrition capabilities.
- Students who are quarantined with no symptoms may test after day 5 and return to school with a negative test after day 7. Unless still exposed daily to a positive case individual.
- Vaccinated students and staff will not be required to quarantine if exposed to a positive case.
