

**CASTLE PINES COMMERCIAL METROPOLITAN DISTRICT NO. 3
ANNUAL BUDGET MESSAGE and BUDGET ASSUMPTIONS
FOR THE YEAR ENDING DECEMBER 31, 2025**

Services Provided

The District, a quasi-municipal corporation, and a political subdivision of the State of Colorado, is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District was formed pursuant to an Order and Decree of the Douglas County District Court issued on March 25, 1987. Formation of the District was preceded by the approval by the Town of Castle Rock of a Consolidated Service Plan for Castle Pines Commercial Metropolitan Districts Nos. 1 – 5 in January 1987, as amended by an Amended and Restated Consolidated Service Plan for Castle Pines Commercial Metropolitan Districts Nos. 1, 3 and 4 dated January 6, 2015 and approved by the Town Council of the Town of Castle Rock on the same date. The District’s service area is located entirely in Douglas County, Colorado.

The District was established to provide financing for the design, acquisition, installation, construction and completion of public improvements and services, including water, sanitary sewer, storm sewer, streets and safety, parks and recreation, transportation facilities and fire protection.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes: Property taxes are levied by the District’s Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer’s election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Governor Jared Polis signed into law House Bill 24B-1001 on September 4, 2024. Under the new law, property tax assessment ratios will see notable adjustments. The commercial property assessment ratio adjustments are relatively straightforward. They will be lowered from 27.9 to 27.0%, which is expected to ease the burden on businesses. There are further decreases to the commercial ratio in 2026 (down to 26%) and in 2027 (down to 25%). However, for agricultural properties, the 2026 ratio is 25% and stays flat into the future.

Meanwhile, for residential properties in 2025, the assessment ratio will be reduced from 6.7 to 6.25% for the local government portion of the tax bill and will move to 7.05% for the school

portion of the tax bills, offering renters and homeowners some relief. (These rates assume that the statewide actual value does not increase more than 5% in 2025. If they do increase more than 5%, the ratios are 6.15% and 6.95%, respectively.) It should also be noted that in 2026, these figures increase to 6.7% if more than 5% growth for local government and 6.95% for school districts. If the growth is less than 5%, these numbers are 6.8% and 7.05%, respectively.

The District has no residential property. The calculation of the taxes levied is displayed within the budget using the adopted mill levy imposed by the District.

Specific Ownership Taxes: Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 8% of the property taxes collected however such revenue can vary depending upon economic conditions.

Net Investment Income: Interest to be earned on the District's available funds has been estimated based expected fund balances and interest rates in 2025 at 3%.

Expenditures

General and administrative Expenditure: General and administrative expenditures include the estimated services necessary to maintain the District's administrative viability such as legal, management, accounting, insurance, and other administrative expenditures.

County Treasurer's Fees: County Treasurer's fees have been computed at 1.5% of property tax collections only. Specific Ownership taxes are not subject to the collection fee.

Debt Service: Principal and interest payments are provided based on the debt amortization schedule for the Series

Debt, Leases, Advances and Reserves

Debt: On April 21, 2022, Castle Pines Commercial Metropolitan District No. 3 refunded Castle Pines Commercial Metropolitan District No. 1's Series 2015 Limited Tax Supported Revenue Bonds by the issuance of \$4,545,000 Tax-Exempt Refunding Loan, Series 2022 through NBH Bank. The loan bears interest at a rate of 5% and shall mature on December 1, 2042 with principal payments due December 1st. The notes are secured by and payable by ad valorem property taxes of the Taxing Districts.

A Capital Pledge Agreement between CP3 and Castle Pines Commercial Metropolitan District No. 4 executed April 21, 2022 set fourth CP3's portion of joint debt obligation held and managed by CP4. Per the Capital Pledge Agreement, CP3 shall provide CP4 with the CP3 Douglas County assessed value by September 30th annually. CP4 shall calculate CP3s portion of the debt payment as follows:

Calculation Methodology: To meet the current year loan payment, CP4 can required CP3 to impose a debt mill levy that cannot exceed the mill of CP4 in the current year. Additionally, the total funds collected by CP3 for this purposed cannot exceed \$150,000 annually.

Collections and Remittance: CP3 agrees to remit at the direction of CP4, property tax and specific ownership revenues collected within ten days of each monthly remittance by the County up and until the amount reaches the current year’s calculated portion of the loan payment obligation by CP3. CP3’s required mill to meet this obligation cannot exceed the mill imposed by CP4. CP3’s calculated obligation to CP4 to meet its share of the current year loan payment, based on the mill stipulation noted above, will be approximately \$112,000 in 2025. These funds will be transferred monthly to CP4 until the obligated amount is reached.

In order to collect funds over the course of the payment schedule to meet the final 2042 final loan balloon payment, an approximate additional amount of \$35,000 annually was collected in 2024 at the request of CP4. These additional funds were retained by CP3. However, CP4 has changed policy for 2025 and foreseeable future years and will not be asking for these additional funds from CP3 nor collecting additional funds through their mill levy. CP3 has been informed that at this time that CP4 expects to refinance in future years and restructure the loan.

The CP4 loan payment schedule for the above mentioned debt in which CP3 is party to is provided below:

Greetings,

We have enclosed the 2024 *Final* Certification of Valuation for Castle Pines Comm Metro District 3. A Certification Guide is provided to assist you with any questions or concerns. The guide provides descriptions of the individual line items on the certification, including any items that changed due to legislation.

The Certification has applied the assessment conditions enacted from recent legislative and regulatory events, including legislative action resulting from the 2024 special session on property taxation. As a result, the \$55,000 adjustment to Actual Value on improved residential property, and the \$30,000 adjustment to Actual Value on improved commercial property, are reflected in this certification, as are the current assessment rates. The 2024 County Board of Equalization was held in October, the results of which are now reflected in the data.

It is important to note the Douglas County Assessor has previously published preliminary certifications to provide information to local governments as regulation evolved. All prior certifications are now inaccurate and should not be used in any manner to calculate mill levies or perform any other type of analysis.

In accordance with Colorado law, and Article X of the Colorado Constitution, I hereby certify the values of property located within the limits of each entity as listed on the attached Certification of Values. Unlike the Preliminary Certification, this Final Certification includes any changes to current year tax policy that were enacted during the special session or general election. Entities intending to certify a levy for the current Tax Year must certify to the Board of County Commissioners by December 15. Your organization will receive information from Douglas County regarding accessing the mill levy certification application to certify your mill levies to the BOCC. That application has been updated to reflect changes enacted by legislation in 2024, such as the Mill Levy Public Information form.

Pursuant to Section 32-1-306, C.R.S., a special district shall maintain a current, accurate map of its boundaries, and shall provide for such map to be on file with the County Assessor on or before January 1 of each year. This statutory requirement is frequently overlooked and is the only means my office has to check for parcels omitted from your certification. The enclosed Certification of Valuation, as well as updated Abstract Summaries can be found on the Douglas County Assessor web site, www.douglas.co.us/assessor. If you have any questions, please contact my office at 303-660-7450.

Respectfully,
Toby Damisch
