# HOW TO GO

We combined all these things to do in 4 parts. Part 1 is to introduce Meta Nature to the whole world and increase the number of holders. The 2nd part is to carry out afforestation works on our behalf in various parts of the world and to announce our own brand Meta Nature to everyone. Part 3, we will build forests in Meta Universes under the name "Meta Nature". And finally, we will hear the name Meta Nature everywhere, combining Meta universes with our Real world. Our team works for our world and for you, thank you for listening

# Thank You!
