

Honors and Awards

Alpha Epsilon Delta (Medical Honor Society)
Omicron Delta Kappa (National Leadership Honor Society)
Distinguished Service Award
Tandy Technology Scholar
DAR Good Citizen
Ancient & Accepted Scottish Rite of Freemasonry Patriotism Award
Minnie Hall Brown Award
Eagle Scout

Professional organizations

American Academy of Pain Medicine
American Medical Association
AAPM&R (American Academy of PM&R)
American Society of Pain & Neuroscience
North American Neuromodulation Society
Bexar County Medical Society
Texas Medical Association

Professional Experiences

SACRIX Lateral SI fusion training course
Inspan ScrewLES Spine Surgery training course
Relievant Intracept training course
St. Jude Medical Dorsal Root Ganglion training course
Stem Cell Therapies & Biologics Workshop for the Clinical Application of Pain Management
St. Jude Medical Epiducer Lead Delivery System training course
Vertos Medical MILD training course
Academic and Administrative Chief Resident
Fellows Theory and Technique – Implantable Pain Therapies
Course in Principles/Techniques of Manual Medicine
Area Health Education Center Preceptorship

Research

U.T.M.D. Anderson Cancer Center Intrathecal Ziconitide in Treatment of Refractory Pain Syndromes: Case study
Efficacy of Sacroplasty in treatment of Sacral Insufficiency
Fractures: Case series

UTHSC-SA	Radiological Findings in a Toddler With Lower Extremity Pain And Weakness: Case Study Modified Constraint Induced Therapy in Acute Stroke: A Pilot Study
LSU Biomedical Research Institute	Optic Detection of Single Molecules (Physiology and Radiographic Imaging) Structural Functioning of Vertebral Striated Muscle The Theory of Strings Electron Transfer Processes in Photosynthesis Helium ³ and Quantum Mechanics
LSUHSC	Comparative Investigation of SaO ₂ recordings made by various recorder manufacturers (Neurology Sleep lab) FUO in Association with Polymyalgia Rheumatica and Giant-Cell Arteritis The Role of Mitomycin in the Treatment of Pediatric Aerodigestive Tract Scar Formation

Presentations

Texas Medical Association	PM&R Pain Management Perspectives for the Primary Care Physician
Consultants in Pain Medicine	Introduction to Pain Management (Medical and Interventional Treatments)
M.D. Anderson Cancer Center	Efficacy of Spinal Cord Stimulation vs Conservative treatment Measures. Botox therapy and Subacromial Impingement Syndrome. Morphine treatment accelerating sarcoma-induced bone pain, bone loss, and spontaneous fracture in a murine model of bone cancer.
UTHSC-SA	Low Back Pain Evaluation Dissection of the Axilla and Brachial Plexus Anatomy and Basic Physiology of Muscle and Nerve Anatomy and Function of the Shoulder joint Neuropathic Pain Review of Journal Articles for Diabetic Peripheral Neuropathy Anticoagulation and Lumbosacral plexopathies
LSU Biomedical Research Institute	Glutathione Functionality and Prevention of Oxidative Stress

Volunteer Experiences

Team physician for various athletic groups (thru Sports Medicine Associates of San Antonio)
Annual Rock N Roll Marathon Medical Team Captain
Annual All-Can-Ski clinic for Special Olympics
Northside Special Olympics San Antonio
Caddo Parish Health Fair
UNCF Fundraisers
New Creation Christian Fellowship Health Fair

Procedural Skills

Intracorporeal, DRG stimulation, Regenerative treatments (Prolotherapy, PRP therapy, BMAC therapies), Intrathecal pump trial/implantation/refill, Neuromodulation trialing/implantation, MILD procedure, Radiofrequency thermocoagulation, Vertebroplasty/Vertebral augmentation, Oblique/Lateral SI fusion, Interspinous Lumbar stabilization, Discography, Percutaneous Discectomy, Neuromuscular botulinum, Tenotomy, Epidural injections (Translaminar, Caudal, Transforaminal), Somatic neurolysis (Intercostal nerve, Peripheral nerve, Celiac plexus, Superior hypogastric, Trigeminal, Ganglion Impar), Intra-articular/Bursal/Trigger point injections, Sacroiliac/Facet joint injection, Sympathetic (Lumbar and Stellate) blocks, and Shoulder/knee/hip radioablation

Electrodiagnostic Medicine (NCS/EMG)

Personal Interests

Baseball, Basketball, Electronics, Drawing, and Music (Saxophonist and Percussionist)
