\* **Our Advisory Council works year round to fundraise and support the center?** Some of the ways the council supports HSC: Organizing the yearly Ping-Pong tournament, providing desserts, turkey and ham for holiday events, planning and implementing historical displays, securing funding for the Feldenkrais class, outreach for fundraising, maintenance of our website, serving as liaisons between the participants and the NCS team, and so much more! **THANK YOU for all you do!**

Interested in attending an Advisory Council Meeting to observe, share your questions, comments or concerns? Meetings are held the second Wednesday of each month at 1pm in the Conference Room

\* **Thank you, Northwestern Federal Credit Union** for sponsoring our Feldenkrais class.
