

FREE TRASH PICKUP FOR SIX MONTHS

Sure beats breathing garbage smoke any day of the week.

CURB IT. DON'T BURN IT.

Getting curbside pickup instead of burning your trash is a good deal all the way around. It does wonders for air quality, it's better for your health, and reduces wildfire risk.

There's also the fact that it's easy, affordable and convenient. And for the first six months, it's free.

So what do you have to lose? Sign up for trash pickup and get six months free. You'll get a 35-gallon garbage bin and you can choose pickup every week or every other week. And that's all good.
