***Rusk Area Chamber of
Commerce - Eat, Play,

Dear Rusk County Community Members,

As the new director, I am so excited for my very first summer in Rusk County. The warm welcome I've received has already made me feel at home, and I can't wait to join in on the fantastic events and traditions that make this community so special.

We have an incredible lineup of summer activities that showcase the spirit and vibrancy of Rusk County. I am particularly looking forward to all of the Fourth of July festivities. Putting together this newsletter, I realized how much there is to do this coming weekend! From the spectacular fireworks shows to the lively parades and boat parades, it's a time for us to come together and celebrate our nation's independence in style. The energy and joy that fill the air during these celebrations are truly contagious.

Another event I'm eagerly anticipating is the Northland Mardi Gras. This quintessential Ladysmith weekend offers a perfect blend of arts and crafts fairs, car shows, live music, and parades... and I can't wait to see you in the beer garden! It's an ideal opportunity for us to appreciate the local talent, creativity, and camaraderie that make Ladysmith such a wonderful place to live and visit.

Equally exciting is the Bruce Bluehills Fest. With craft shows, a car show, live music, fireworks, a petting zoo, and a parade, this festival promises fun for all ages. I'm particularly looking forward to seeing the community come together to enjoy these activities and create lasting memories.

I am honored to be part of such a vibrant and welcoming community, and I look forward to experiencing all the joy and excitement of these events alongside you. My first Wisconsin summer is going to be memorable, and I am grateful to share it with all of you.

ChaliceStream Forum

discussing
predatory behavior
and our means to long-term
survival

Tuesday, July 9th
2024

6:30-8:30 P.M.

Predation in nature, including the human animal, is so pervasive we’re apt simply to accept the phenomenon as part of the Great Design. Everywhere we look we see examples of members at the top of the food chain preying on those below them.

With humans, however, predatory habit goes beyond the practice of consuming the flesh of fellow creatures. It manifests itself in the countless ways we exploit one another and the earth.

For instance, in the capitalist mindset everything is fair game. Everything, and everyone, is seen as an opportunity to cash in. In our world, in general, violence towards one another abounds, whether through endless warring, human trafficking, domestic abuse, bullying, racism, etc..

Through discussion of these and other examples, “Thoughts On Predation” will not only explore this endemic behavior but also seek a path to long-term survival. Participants will be invited to offer their perspectives on the subject, assured that their points of view will be treated with respect.

ChaliceStream Studio (W8555 Deertail Road) is located five miles south of Ladysmith, just west off Hwy 27 on Deertail Road. Parking is available on the shoulder. Admission is free. Donations are appreciated. For additional information, call (715) 532-6863.
