***Rusk Area Chamber of
Commerce - Eat, Play,

Dear Rusk County Community Members,

As a New Jersey native, the 2024 Rusk County Fair is something I have looked forward to for quite some time. I have a feeling the heart and soul I will feel at a small town Wisconsin fair will be vastly different than anything I have ever experienced before!

As we eagerly approach the annual Rusk County Fair, I want to take a moment to express my heartfelt gratitude for the dedication and hard work of everyone involved in making this event a success. Our fair is more than just a gathering; it is a celebration of shared values, traditions, and community spirit. From the organizers and volunteers to the participants and spectators, each of you plays a vital role in creating an experience that brings joy and pride to our region.

This year, there is an exciting lineup of events that promise something for everyone. The 4H shows will showcase the talents and dedication of our young members, while the rodeo and junior rodeo events are sure to thrill audiences of all ages. Barrel racing will test the skill and speed of our local riders, and for those seeking something a bit different, the lawn mower races and mud bog will provide plenty of laughs and excitement. We invite everyone to join us in celebrating the hard work and creativity of our community, and I look forward to seeing you at the fair!!

The Aging and Disability Resource Center Presents

Stepping On

People Who Complete Stepping On Have a 30% Reduction in Falls!

This seven-week workshop helps you recognize your risk of falling, build your physical strength, and develop the practical skills you need to avoid falling. Local experts and trained leaders help you modify strength and balance exercises to your level and help find solutions for your needs.

With fun, hands-on learning you'll know how:

- To identify & remove fall hazards in your home.
- Vision and hearing loss affect your risk of falling.
- To choose safe footwear for all your activities.
- Medications play a role in your risk of falling.
