## The Holidays in Rusk County

As the holiday season approaches, Rusk County transforms into a winter wonderland of sparkling lights, cozy gatherings, and heartfelt traditions. It's a time to reflect on the year past, share gratitude for our community, and look forward to the promise of a new year.

### In this issue:

- A note from the Executive Director
- Winter Magic
- Upcoming Events

This season, let's come together to support our local businesses! Stop into Lois, Lann, & Bean in downtown Ladysmith. Grab a coffee and admire the art at Toad House! Enjoy a warm meal at Roses Bay.

Many of our local organizations and businesses are hosting special events to help you make cherished memories with family and friends—so take a look at the events we have listed in this newsletter!

Remember, the holidays are not just about the hustle and bustle but also about kindness and connection. Whether it's helping a neighbor shovel their driveway, contributing to a toy or food drive, or simply sharing a smile, every small act makes our community stronger.

Wishing you and your loved ones a holiday season filled with joy, peace, and warmth. Together, let's make it a season to remember.

***Happy Holidays from all of us at the Rusk Area Chamber of Commerce!***

The Aging and Disability Resource Center Presents

Parkinson's/Lewy Body Dementia Support

*For those living with Parkinson's Disease and/or Lewy Body Dementia, their caregivers and families.*

Nobody really expects they'll be living with a chronic brain disease, so getting that diagnosis can be pretty overwhelming. The Parkinson's/ Lewy Body Dementia Support Group (PALS) connects you with others in the same situation and can help you understand what to expect, help you to live well now, and to plan for your future.

At PALS meetings, attendees will explore tools and techniques to help deal with and ease some of the frustrations patients and caregivers may experience with everyday challenges. Hints and tips will be shared at the monthly meetings.

Connecting with others on the same journey can open new doors to resources available, help you develop better coping skills, and provide a network for education, socialization and support.

PALS can also help you make lemonade out of the lemons that may fall along the way. Getting through a bad day is a little easier with PALS.
