## A Note From Andy Strom - Executive Director

Wow! What a summer we are having so far! There is so much going on in the Rusk Area this time of year.

Things at the Rusk Area Chamber of Commerce are busy as this time of year we have a part in a lot of events. Next up is the Mardi Gras Arts & Crafts Fair and Car Show. Always a great

event.

Membership wise it has been a great year thus far. As of July 1st we have 213 Chamber Members! It is because of these members that we can do what we do; promote the Rusk Area as a great place to eat, play, Shop, and live.

We can always use more members though, so please consider joining if you aren't a member or refer an organization so we can continue to grow.

As always, if you have any thoughts, concerns, or questions, please email me. I am here to help!
