## From The East

Worshipful Master Vick Fiore

Good day from the East my brothers,

So, a lot has happened since last we spoke, we are bringing a new Brother into the Craft (congratulations to you, good Sir), other Brothers are soon to be advancing degrees, we have Brothers moving down and visiting our Lodge, and we have two new Lodge instructors. Our RWDDGM will be visiting at our next meeting Feb 15th.

The sale of the Lehigh Lodge is looking promising. The officers and I are coming up with more plans to bring a little fun back to our Lodge. So far, this year is looking promising and I hope to see more and more Brothers both new and old.

With that being said, I would like to start extending an open invitation to wives, children and family to dinners. After all, without the support of our spouse and family we would not be the men we are. From the earliest lessons taught by our parents, to be the men would that one day place their hands upon that alter and make an obligation, to the lesson our wives and children teach us each day, these are the things that make us good enough men to enter the Craft and we in turn use the teachings of the Craft to better ourselves for them. Masonry only adds to that bond of family that is already strong in our daily lives. As men and Masons, we should always remember the lines of unity that connects us and uplifts us.

Very sincerely,

*Vick*

## Senior Warden's Message

Brother Tom Knafel

Brothers,

Greetings for the first time from the West. I would like to thank all of you for entrusting me with the Senior Warden office for 2022.

Tropical Lodge's outlook for 2022 is a very positive one. In addition to the impending sale of the Lehigh property, and the positive impact that it will have on our Lodge, we are seeing an increased level of membership interest. I believe that this will grow as we are able to make physical improvements to our building and grounds. A key to turning interested individuals into members of Tropical is the impression that we make on their initial visit(s). When you see someone that you do not know, I encourage you to introduce yourself, introduce as many officers as possible, offer a tour of the Lodge, and ensure that they don't eat alone. Our collective goal should always be to send them home with a positive impression of our Lodge and membership.

Finally, I would like to thank W.: Jeff Zimmerman, P.M. for his leadership and dedication last year. I know that he led with an eye to what he believed to be just and fair and always with the best interests of the membership at heart. Enjoy the well-deserved view from the sidelines.

Fraternally Yours,

*Tom*

## Junior Warden's Message

Brother Aaron Averhart

Greetings from the South, Brothers.

I hope everyone had a wonderful holiday season and that this finds you all well. I would like to start by thanking you for the confidence that you have demonstrated in me. By electing me to serve as your Junior Warden, for a second time, I could not feel more supported. It is a wonderful gift to return to, many thanks!

Of course, as quickly as I thank you, I ask for your help so that I may effectively execute the duties of my office. I will be at the Masonic Center early on Lodge days, preparing and cooking food, cleaning and dressing up the dining hall, setting up the Lodge room and cleaning the bathrooms. In general, getting things ready for a great night of fellowship. This is definitely not a job that can be done alone, however, and I am in need of a few Brothers to help with food service and clean up, among other things. Some guys with experience coking meat would be a major bonus, as I am a vegetarian and not the one you want in charge of that aspect of your meals! Please contact me at the email address listed below if you would like to get involved, and thank you in advance for your help my Brothers.

Outside the kitchen, the new year promises to be as exciting as the last. We will continue to focus on our growth as men and Masons, as well as helping new Brothers come to better understand the craft. We are also going to focus on bringing some of the fun and excitement back to the fraternity, in a variety of ways, and we hope that you will join us often! I look forward to an exciting year filled with fellowship and brotherly love, goodwill and tolerance, meaningful community works, and a deeper appreciation for all that I have been given. Thank you again for the trust you have placed in me.

Fraternally Yours,

*Aaron*

# Committee Activities

## Public Education and Citizenship Committee

The Grand Lodge of Florida's Public Education and Citizenship program is designed to teach citizenship primarily through our public education system. The program challenges each Lodge to exceed 100 points, and we want Tropical Lodge to participate in this valuable and rewarding program.

The report section (from 2020) on page 9 from The Grand Lodge of Florida has suggested activities for community involvement. We are asking that you look it over and share your ideas of which activities Tropical Lodge might be able to do, and what individuals or groups might participate in them or benefit from them. The Grand Lodge has guidelines for these activities, and we will determine the feasibility of any suggestions given.

Some of these activities can be carried out by friends or family members of Freemasons, but it needs to be organized by the Lodge to apply. Depending on which activities we choose, fund raising may need to take place. Please consider getting involved as we grow this program which will help the community and introduce people to who we are.

## Trestleboard and Communications Committee

We welcome and encourage any Brother to submit articles, stories, pictures, or any other information that might benefit the Craft through the Trestleboard. In addition, anyone who wishes to be a Trestleboard booster or has a business that you wish to advertise in the Trestleboard, please email Bro. Chris Tilman at [tilmanclan@gmail.com](mailto:tilmanclan@gmail.com).

## Building Committee

The Building Committee has been very active identifying ways to improve both the appearance of the building and property, and to make it more efficient to reduce the costs of operation. We are talking with contractors and getting pricing for drop ceilings throughout the Lodge and repairing/resealing the exterior doors to further reduce air losses and electricity costs.

There are many other simple improvements that we have identified that really just require some elbow grease and determination... and the Lodge needs Brothers to help in this effort!

The Building Committee is also actively planning for future improvements to the Lodge and will communicate updates during Lodge meetings. If you would like to help your Lodge with this important work, please email Bro. Chris Tilman at [tilmanclan@gmail.com](mailto:tilmanclan@gmail.com).

## Did You Know...

### Commentary on the Pledge of Allegiance

By Bro. Red Skelton

*As a schoolboy, one of Red Skelton's teachers explained the words and meaning of the Pledge of Allegiance to his class. Skelton later wrote down, and eventually recorded, his recollection of this lecture. It is followed by an observation of his own.*

I - - Me; an individual; a committee of one.

Pledge - - Dedicate all of my worldly goods to give without self-pity.

Allegiance - - My love and my devotion.

To the Flag - - Our standard; *Old Glory*; a symbol of Freedom; wherever she waves there is respect, because your loyalty has given her a dignity that shouts, Freedom is everybody's job.

United - - That means that we have all come together.

States - - Individual communities that have united into forty-eight great states. Forty-eight individual communities with pride and dignity and purpose. All divided with imaginary boundaries, yet united to a common purpose, and that is love for country.

And to the Republic - - Republic--a state in which sovereign power is invested in representatives chosen by the people to govern. And government is the people; and it's from the people to the leaders, not from the leaders to the people.

For which it stands

One Nation - - One Nation--meaning, so blessed by God.

Indivisible - - Incapable of being divided.

With Liberty - - Which is Freedom; the right of power to live one's own life, without threats, fear, or some sort of retaliation.

And Justice - - The principle, or qualities, of dealing fairly with others.

For All - - For All--which means, boys and girls, it's as much your country as it is mine.

And now, boys and girls, let me hear you recite the Pledge of Allegiance:

***I pledge allegiance to the Flag of the United States of America, and to the Republic, for which it stands; one nation, indivisible, with liberty and justice for all.***

Since I was a small boy, two states have been added to our country, and two words have been added to the Pledge of Allegiance: **Under God**. Wouldn't it be a pity if someone said that is a prayer, and that would be eliminated from schools, too?
