

## **PENG Si-Qi**

Born in 1995 in Taoyuan, Taiwan, Peng Si-qi is inspired by the mounting and binding techniques for books and paintings as well as the craftsmanship of the East. Her works often take the forms of mixed media and space installations, involving familiar everyday objects hinting at the personal emotions and the ebb and flow of life. She aims to preserve both the light and the weight, the lost and the preserved, fiction and reality, drawing a path into the abyss of intimacy.
