- 1 large bottle of hand sanitizer
- 3 packages of white copy paper (500 sheets)
- 4 single subject notebooks (wide ruled)
- 1 pocket folder
- 1 plastic pencil box
- 1 school scissors (small)
- 1 package of glue sticks (8 pack)
- 4 packages of #2 pencils with erasers
- 1 package of colored pencils
- 1 library card for the public library if you do not already have one

Saint Patrick School Student Summer Work – Grade 3
2019-2020

Dear Parents & Guardians,

Summer vacation is a time for children to relax, unwind, and play. It is also a time to continue to learn. To assist with this learning, I would like all incoming students to complete the attached summer reading assignment, writing assignment and summer math practice assignment.

Required - Summer Reading Assignment:

Students should read **at least two** books from the suggested series and titles listed below. Do not feel the need to limit your reading to just two books!

Students will choose one of their fiction book choices to complete the “My Book Report” activity. You will turn in the summer reading assignment on the first day of third grade and that will be your first grade in reader’s workshop for the year.

Suggested (Fiction) Book Series List:

- Amelia Bedelia Series by Peggy Parish
- Cam Jansen Series by David Adler
- Magic Tree House Series by Mary Pope Osborne
- Junie B. Jones Series by Barbara Park
- Freckle Juice by Judy Blume
- Amber Brown Series by Paula Danziger
- Ramona Series by Beverly Cleary

Suggested (Biography) Book List:

- Titanic: The Disaster That Shocked The World by Mark Dubowski
- Helen Keller: Courage In The Dark by Johanna Hurwitz
- Jackie Robinson And The Story Of All Black Baseball by Jim O’Connor

Suggested (Non-Fiction) Book List:

- National Geographic Kids
- Magic School Bus Series by Joanna Cole

Required - Writing Assignment:

-Everybody has his or her own idea of the “perfect” summer day! Write about and illustrate what your “perfect” summer day has been. Please make sure you write *at least* one descriptive paragraph (5-8 sentences). You will turn in the summer writing assignment on the first day of third grade and that will be your first grade in writer’s workshop for the year. We will share our writing entries with the whole group!

Required - Summer Math Practice (Websites/Worksheets):

Please practice your math facts! We will review addition and subtraction at the beginning of the year and after we will move into multiplication and division. The following websites have engaging math practice, worksheets, and games for students to use to continue working on their math skills. Students will complete and turn in the summer math practice packet. This will be their first math grade of the school year.

Please make sure your child comes to school with a library card, as third grade goes to the library often. This was listed on your supply list.

I look forward to seeing you when you return to school! Have a wonderful summer.

Sincerely,

Ms. Lytle
