

ST. PATRICK SCHOOL and EDUCATIONAL CENTER

STUDENT SUPPLY LIST FOR 2019 - 2020

All children will receive Communicator Folders at the beginning of the year. Grades 3-8 also receive Homework Planners at the beginning of the year.

Students are also encouraged to take care of supplies such as folders, pencil pouches etc. so that they may be used for more than one year. If a student has supplies from last year that are in good condition (such as a ruler, protractor, scissors, thesaurus) there is no need to purchase new ones.

Welcome to the 4th Grade! Attached is your summer reading assignment. All students must read at least 2 books from the list below. Please do not feel the need to limit yourselves to just this list. There are so many wonderful books and authors to explore! Please use the five finger rule (attached) to find the books that are just right for you. After reading your books, you will choose one of the books you have read and do a **Book Report** using the attached sheets. Please read the directions for each section **CAREFULLY** and add as much detail as you can.

Your grade on this project will be your first grade in Reading. All projects are due on the first day of school. **Late projects will lose 10 points per day.**

Remember to use the five finger rule sheet to help you choose a book that is right for you. Do not choose a book that is too easy or too hard for you to read.

Flat Stanley by Jeff Brown

Freckle Juice by Judy Blume

Ghost Town Treasure by Clyde Robert Bulla

The Littles (This a series of books. Feel free to choose any from the series.) by John Peterson

Adam Joshua Capers (Series) by Janice Lee Smith

Amber Brown (Series) by Paula Danziger

Donovan's Word Jar by Johanna Hurwitz

The Show and Tell War by Janice Lee Smith

Fudge (Series) by Judy Blume

The Disappearing Ice Cream and Other Cases by Seymour Simon

Beezus and Ramona by Beverly Cleary

The Lost Continent and Other Cases by Seymour Simon

The Mouse and the Motorcycle by Beverly Cleary

Teacher's Pet by Johanna Hurwitz

Encyclopedia Brown (Series) by Donald Sobal

Sideways Stories From Wayside School by Louis Sachar

Tales of a Fourth Grade Nothing by Blume, Judy

Any of the I Survived (Series)

Please note that many of these books are the start or part of a series by the author. If you like one you may enjoy others by that author!!! **HAPPY READING ☺**

MATH: Please **PRACTICE, PRACTICE, AND PRACTICE** your Multiplication, Addition, and Subtraction facts! You will be using them all the time in 4th Grade. The

more fact families you have memorized the easier Math will be for you! You can buy or make flashcards to help practice. There will be a few “**Timed**” **Multiplication tests** the first weeks of school. These will be used for grades as well as to help you memorize the Times Tables. How quickly do you think you can finish? I’ve attached a few sheets for you to use during the Summer. You may make as many copies as you wish, but **please hand in the first set on the first day of school**. There are also many great websites to use for extra practice. You can play games for free and keep your Math minds strong. Here are some suggestions:
