

WEEKLY UPDATE

FRIDAY, October 29, 2021

COVID: One person tested positive for COVID this week. This person is quarantining at home. All parents and faculty have received updated guidelines and adherence to these policies will be very closely monitored to keep everyone in school safe and healthy. The Department of Education mask mandate has been extended into January.

UNIFORMS: Weather predictions for next week are for MUCH cooler days. Students need to dress for the weather. Students should have a jacket or warm sweatshirt for outside use. Please refer to the "Dress for the Weather" information that was recently sent home. I realize that some gym uniforms are still on back order, however, students need to have navy blue sweat pants that can be purchased locally.
