Japanese cooking emphasizes balance in color, flavor, and texture, often paired with rice—a staple enjoyed almost every day. In Japan, meals are sometimes packed in bento boxes, which can even be decorated to look like animals or cartoon characters, making lunchtime both fun and flavorful.						 <b>GLOBAL BITES</b> TASTING THE WORLD ONE BITE AT A TIME		Allergen Disclaimer: Meals prepared in this kitchen may contain or come into contact with tree nuts, sesame, peanuts, soy, eggs, milk, fish, crustacean shellfish, wheat, and gluten-containing products.
