

SUNNI'S ANIMAL MISSIONS

PET REHOMING ASSISTANCE & FOSTER COMMITMENT AGREEMENT

This agreement documents the responsibilities of the current owner/guardian when Sunni's Animal Missions ("SAM") agrees to assist with

finding a new home for a pet or litter. Assistance is not a transfer of ownership or a guarantee that a suitable adopter will be found by any

particular date.

1. OWNER / PET INFORMATION

Owner/Guardian name: _____ Phone: _____

Email: _____

City: _____

Pet's name(s): _____

Breed / description: _____

Age / sex: _____ Number of puppies (if applicable): _____

2. OWNER'S FOSTER AND CARE COMMITMENTS

■ **Continued care and custody.** I will keep and foster my pet and/or litter in my care throughout the rehoming process until each adoption

is approved and completed. I will not abandon, surrender, or transfer any animal to another person or organization during this process

without first notifying SAM and agreeing on a plan in writing.

■ **Veterinary care for adult dogs.** I am responsible for ensuring the dog is current on age-appropriate vaccinations and parasite prevention

and is spayed/neutered when medically appropriate. I will provide veterinary records to SAM. If the dog is not current, I will discuss a

veterinary plan with SAM before the dog is represented as ready for adoption. Any agreement about who pays for veterinary services must

be made separately in writing.

■ **Litters of puppies and the mother dog.** If SAM agrees to assist with rehoming a litter, I agree to keep the mother dog and puppies

safely in my care until placements are completed, unless SAM and I agree otherwise in writing. SAM will arrange to vaccinate and deworm

the puppies at an age-appropriate time and will arrange to have the mother dog spayed to help prevent future unintended litters. I agree to

cooperate with scheduling and transportation for these services and to follow veterinary instructions. The parties will confirm in writing any

costs or transportation responsibilities before services are arranged.

■ **Honest disclosure.** I will disclose known medical conditions, medications, behavior concerns, bite history, escape tendencies, and how

the animal behaves around adults, children, dogs, cats, and other animals, as applicable. I will promptly tell SAM about any material

change.

■ **Potential adopters I know.** If a friend, family member, coworker, or other person contacts me about adopting the pet or a puppy—or I

identify someone independently—I will refer that person to SAM and have them provide their email address to SAM so they can receive and

complete SAM's adoption application. No person is approved to adopt unless SAM confirms approval and the adoption is completed

through the agreed process.

■ **Meet-and-greets.** I will communicate with SAM and cooperate in scheduling and coordinating meet-and-greets with potential adopters,

make the animal available at mutually agreed times, and follow reasonable safety instructions. I will not promise or finalize placement on

SAM's behalf.

■ **Trial visits / sleepovers and returns.** If SAM approves a trial visit or sleepover and the placement does not proceed to a completed

adoption, I agree to take the animal back promptly and continue fostering and caring for the animal until a suitable placement is completed,

unless another plan is agreed to in writing by both parties.

■ **No unilateral cancellation after work begins.** I understand SAM and its volunteers may spend substantial time creating posts,

responding to inquiries, screening applicants, reviewing applications, and coordinating meetings. Once SAM has begun work, I will promptly

notify SAM of any change in circumstances and will not independently finalize a different placement or withdraw the animal from the process

without communicating with SAM first. If I wish to stop SAM's assistance, I will notify SAM in writing so we can coordinate a safe transition

and close out pending inquiries.

■ **Continued communication.** I will respond to reasonable messages from SAM, provide accurate updates, and notify SAM immediately if

I can no longer safely or reasonably keep the animal.

3. SAM'S ROLE AND LIMITATIONS

SAM may advertise the animal(s), communicate with interested people, review adoption applications, and help coordinate meet-and-greets.

SAM will use its adoption-screening process and determine whether an applicant meets its criteria. SAM cannot guarantee a placement or

timeline. Unless separately agreed in writing, the current owner/guardian remains responsible for housing, food, routine care, veterinary

costs not specifically accepted by SAM in writing, and safe custody while the animal remains in their care.

4. ADOPTION APPROVAL AND TRANSFER

No interested person is authorized to take an animal permanently based solely on an inquiry, meeting, or trial visit. The parties will confirm in

writing when each adoption is approved and completed and who will execute transfer or adoption paperwork. The owner/guardian will not

represent that SAM has approved an applicant unless SAM has expressly confirmed that approval.

5. ACKNOWLEDGMENT By signing below, I confirm that I have read and understand this agreement, have had the opportunity to ask questions, and agree to the

commitments above. I understand that this form describes my responsibilities while SAM assists with rehoming; it does not itself transfer

ownership of any animal to SAM.
