

# **Wyndemere Bicycle Permit Policy**

Effective – July 1, 2025

## **Purpose**

This policy establishes the requirements and guidelines for obtaining and using a bicycle permit for Wyndemere residents. It aims to promote safe and responsible biking storage, ensuring the proper use of designated bicycle parking areas.

## **Permit Request**

- All bicycles parked on Wyndemere property must display a valid bicycle permit. A bicycle permit sticker must be placed on top tube of the bicycle close to the handlebar.
- A bicycle permit can be obtained by completing and submitting a Bike Permit registration form.
- Bicycle permits will be processed weekly, and a notification will be sent out to the owner once the permit is ready for pick up.
- There are no extra fees for bicycle permits.

## **Bike Parking & Storage**

- Bicycle must be parked in designated racks only.
- Bicycle must be maintained and in good working conditions.
- Bicycle sweeps will be conducted every 6 months (July and December) and any bicycle that does not have a permit or in non-working condition will be discarded. Non-working conditions consist of but are not limited to: flat tires, broken chains, extensive rust and corrosion.

## **Renewal & Expiration**

- Bicycle permits are valid for as long as the owner owns the bicycle and lives in the Wyndemere community.
