

TRI-IMMUNE BOOST

Tri-Immune Boost is a triple defense immunity formula that consists of potent antioxidants and an essential mineral that assists in supporting the body's immune response.

Ascorbic Acid 200mg/ml A strong antioxidant that contributes to immune defense by supporting various cellular functions of both the innate and adaptive immune system.

Zinc 2.5mg/ml An essential mineral that contributes to immune defense by its role in the development and function of many immune processes. Supplementing with this mineral may help combat infections and aid wound healing.

Glutathione 200mg/ml An amino acid that contributes to immune defense because it is required by the immune system for two important reasons: it protects host immune cells through its antioxidant mechanism and it provides the optimal functioning of lymphocytes and other cells of the immune system.

WHAT DOES THIS FORMULA DO?

Tri-Immune Boost is a power-packed immunity blend of Glutathione, Ascorbic Acid and Zinc that is the ultimate immune system enhancer. This high concentration blend of immune system boosting essentials helps maintain a healthy immune response.

RECOMMENDED DOSE: 1 IM injection weekly
