Fee structure & Invoicing details –

Payments – The Provider will seek payment for their provision of supports after the Participant (or their representative) receives or confirms service delivery. Generally, we invoice in 2 stages – (1) After the appointment & follow up work eg casenotes and may include travel (2) After the report/letter is attended. We reserve the right to withhold report until stage 1 payment is received. The Provider will send the Participant an invoice (in the case of self-managed plan) or send an invoice to the nominated Plan Manager. Payment terms will be stated on the invoice, usually 7 business day terms. Unless indicated, community nursing services are GST-free. Refer to our website for more information.
