Business and Corporation Law

LORA focuses its practice on helping small and smaller businesses and entrepreneurs thrive in the biggest markets. LORA offers specialized expertise in areas of business (buy/sell) of small and smaller business, business formation, promoter activities, contract negotiations, complex lease negotiations, raising funding, capital requirements and much more.

Services include

FORMATION/PROMOTION – Looking to start a biz and not sure where to start, LORA can help you get started. I can help you with formation, incorporation, lease and location, initial agreements needed and much more.

CONTRACTS – Every contract is Negotiable!!! Therefore every contract needs to be negotiated. Do not accept any contract unless you have had a chance to review the contract.

BUY – Get Azikiwe Law’s highly successful “BUY Profile Report” to help you complete the purchase of a small and smaller business of your dream with no hassles. My office will provide you with specialized advice tailored to your specific needs.

SELL – Get Azikiwe Law’s “SALE Profile Report” that allows prospective buyers an insight to your small biz for a quick decision. Don’t waste time with countless negotiation and request of information.
