

## **Club Safeguarding Policy**

Protection of all our members is most important to everyone at MK Netters Netball Club; therefore we have appointed a Child Protection Liaison Officer (CPLO)

### **Our current CPLO is Lucy Simms**

This officer is a member of the club and England Netball and has attended the relevant training courses and is fully DBS checked.

The role of our CPLO is to handle any queries or concerns on the matter of Safeguarding young members, Coaches and Volunteers and this includes relating to Bullying, Mental Health Matters and Wellbeing and in addition any concerns around Social Media.

We hope our members will feel they can speak to the CPLO about any problems they may have with other members or personnel problems in complete confidence.
