Finnegan's Wake: a St. Patrick's Day Cocktail

Ingredients

1 oz. Jameson Irish Whiskey

1 oz. Chartreuse liqueur

1 oz. Luxardo Maraschino liqueur

1 oz. fresh squeezed lemon juice

5 mint leaves, plus a sprig for garnish ice

*absinth rinse in glass (optional)

Directions

- Place all of the ingredients into a shaker with ice, including 5 mint leaves. (Save a sprig of mint for garnish.)
- Fine strain into a chilled absinthe-rinsed glass.
- Garnish with a sprig of mint.

Chef's Notes

The Absinthe rinse is a nice touch but not absolutely necessary, and can be substituted with Pernod or Herbsaint. Slap the mint between your hands before garnishing to get the aroma going, as this works well with the olfactory while sipping. Enjoy!
