Instructions by Joyce Trowbridge

## Materials:

- 4 12mm Melon Czech Glass Beads (Large Melon)
- 4 Melon Drop Czech Glass Beads (Melon Drop)
- 24 6mm Melon Czech Glass Beads (Medium Melon)
- 4 8x6mm Rondelle Czech Glass Beads (Rondelle)
- 28 6/0 Seed Beads (Seed)
- 4 TierraCast Oak Leaf Bead Caps
- 18 5mm TierraCast Daisy Spacers (Daisy)
- 2 feet Opelon Stretch Jewelry Fiber
- 1 foot 0.8mm Elasticity Stretch Cord

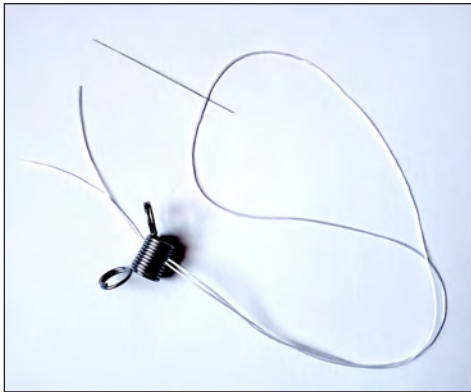

## Tools:

- 1 Bead Mat
- 1 Scissors
- 1 Bead Stopper
- 1 Big Eye Needle
- E6000 or GS Hypo-Cement Glue

## Step 1

Cut **2 feet of Opelon**. Add a Big Eye Needle to the Opelon. Bring needle to the middle of the Opelon. Bring the two ends of the Opelon together. Attach a Bead Stopper a few inches from the ends.

## Step 2

String **1 Large Melon, 1 Oak Leaf Bead Cap, 1 Seed, 1 Melon Drop, 1 Daisy, 1 Rondelle, 1 Daisy, 1 Medium Melon, and 1 Seed**.

## Step 3

Repeat Step 2 for desired length.

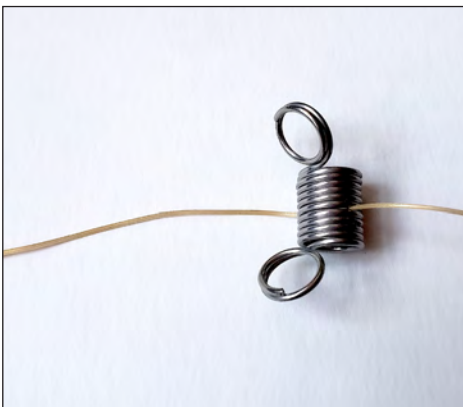

## Step 4

Tie ends together in a Surgeon's Knot. Add a dab of glue and hide knot in the Seed. Trim Ends.

## Step 5

Cut **1 foot of Elasticity**. Attach a Bead Stopper a few inches from one end.

## Step 6

String **3 Seeds, 3 Medium Melons, 1 Seed, 1 Daisy, 1 Medium Melon, and 1 Daisy**.

**Step 7**

Repeat Step 6 for desired length.

**Step 9**

Wear together and Enjoy!

**Step 8**

Tie both ends together with a Surgeon's Knot. Add a dab of glue to the knot. Hide knot in a Seed. Trim ends.

**To Finish Bracelets with Surgeon's Knot and Glue:**

Make a Surgeon's Knot. Remember to pull both base and tail ends to tighten knot. Keep weight of beads on mat, do not lift bracelet up while making knot.

Use toothpick to apply glue to knot.

Cut tails and pull knot into a bead.
