

# Super Duper Duo Wrap Bracelet

# Super Duper Duo Wrap Bracelet

Instructions by Joyce Trowbridge

## Materials:

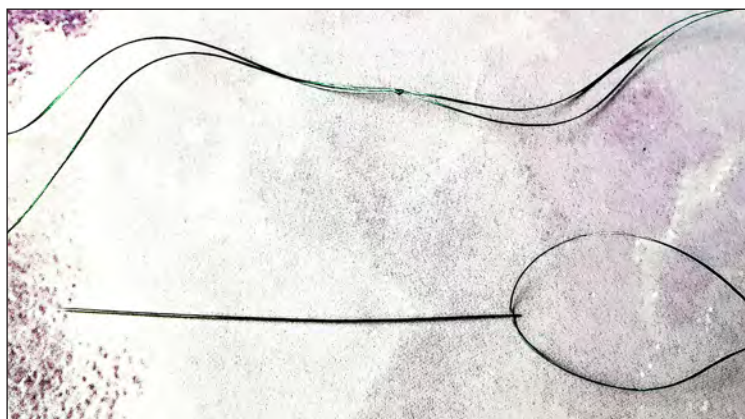

8 Super Duper Colors of SuperDuos,  
9-12 of each color. (A,B,C,D,E,F,G,H)  
18" of 2mm Round Leather Cord  
2 TierraCast Crimp End Caps  
1 TierraCast Toggle  
2 TierraCast Oval Jump Rings  
4 yards Fireline or One G Beading Thread

## Tools:

1 Mat  
1 Size 10 or 11 Beading Needle  
2 Chain Nose Pliers  
Scissors  
Wire Cutters (for leather cord)  
Thread Conditioner  
E6000 or Zap Glue (optional)

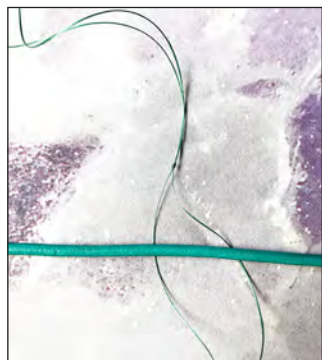

**Step 1:** Thread a needle onto the thread. Bring needle to the center of thread. With both ends together, tie an overhand knot about 6-8 inches from the ends.

**Step 2:** Make a larks knot around the leather cord.

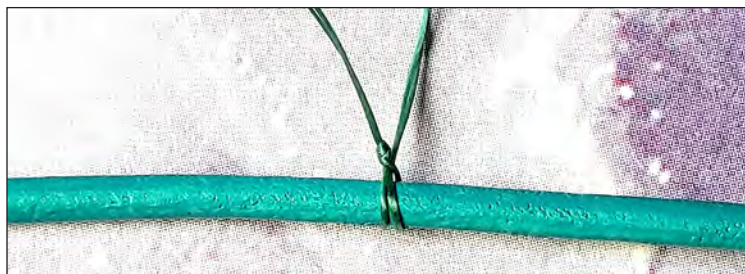

**a)** Lay the leather cord over the knotted end of the thread.

**b)** Bring needle down through the little gap under the knot.

**c)** Pull snug.

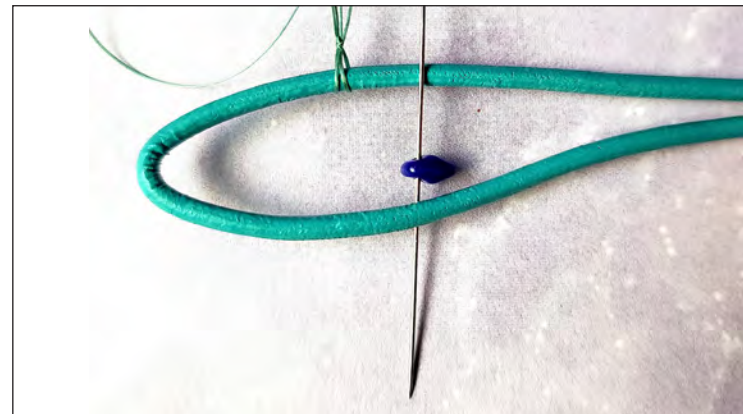

## Step 3:

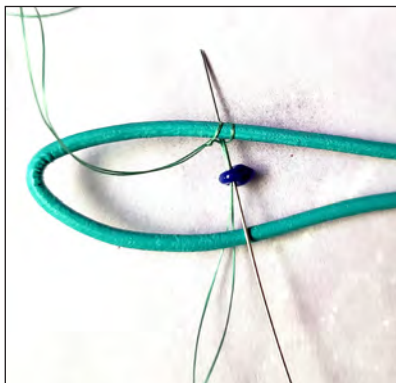

**a)** Fold leather cord in half. Slide knot up to the bend.

**b)** String 1 A, go between the leather cords, and behind the bottom cord.

**c)** Bring the needle over the bottom cord, through the same hole of the A, and behind the top cord.

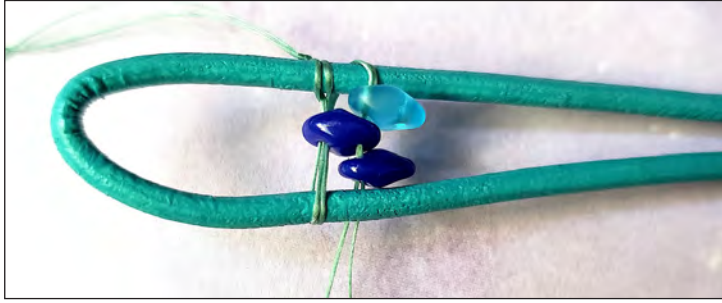

**d)** Pull snug.

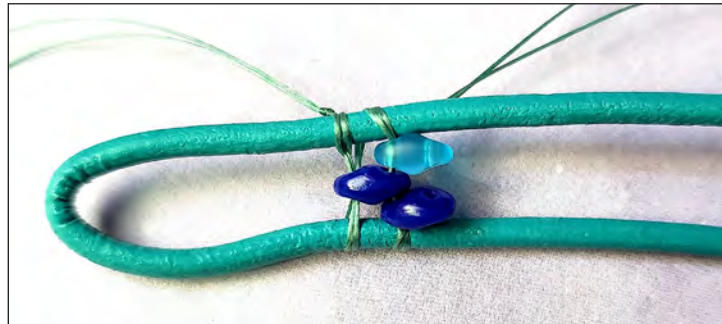

## Step 4:

a) String 1 B and go through the second hole of the A. String 1 A and go behind the bottom cord.

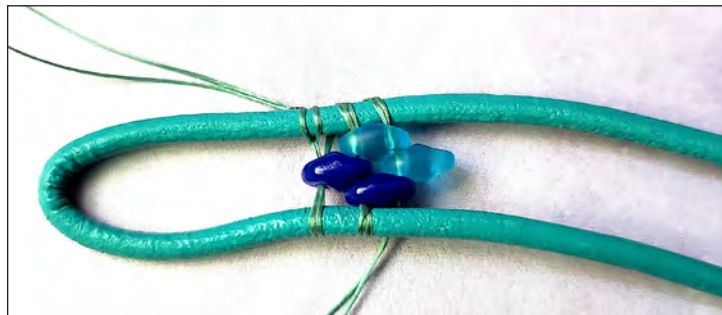

b) Bring the needle over the bottom cord, through the same holes of the three beads (A,A,B), and behind the top cord. Pull snug.

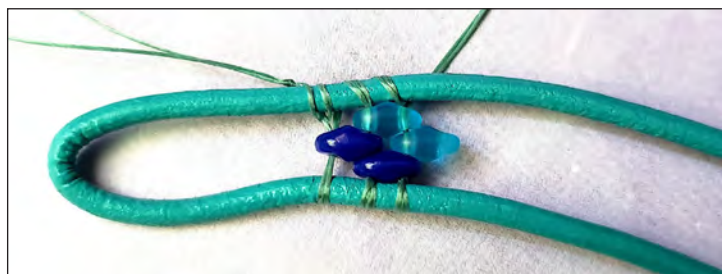

## Step 5:

a) Bring the needle over the top cord then through the second hole of the B. String 1 B, then bring the needle through the second hole of the A and behind the bottom cord.

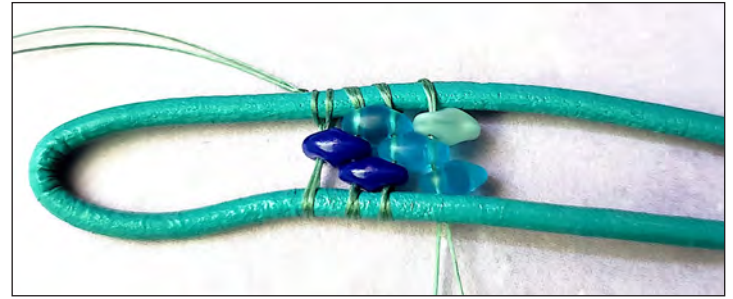

b) Bring the needle over the bottom cord, through the same holes of the three beads (A,B,B), and behind the top cord. Pull snug.

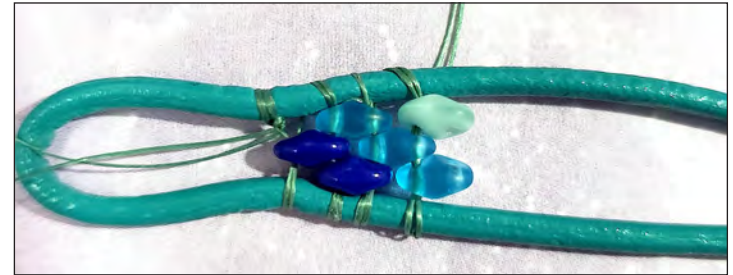

## Step 6:

a) String 1 C and go through the second hole of the B. String 1 B and go behind the bottom cord.

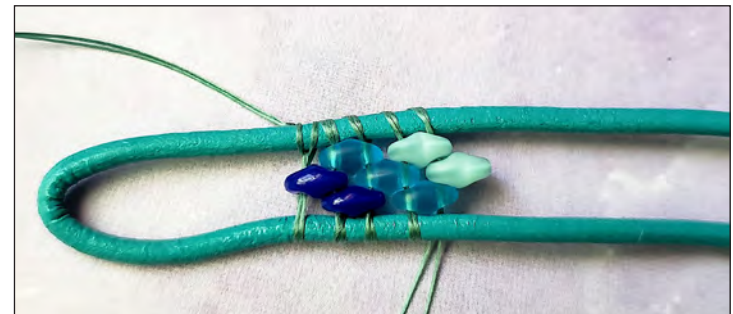

b) Bring the needle over the bottom cord, through the same holes of the three beads (B,B,C), and behind the top cord. Pull snug.

## Step 7:

a) Bring the needle over the top cord then through the second hole of the C. String 1 C, then bring the needle through the second hole of the B and behind the bottom cord.

b) Bring the needle over the bottom cord, through the same holes of the three beads (B,C,C), and behind the top cord. Pull snug.

## Step 8:

a) String 1 D and go through the second hole of the C. String 1 C and go behind the bottom cord.

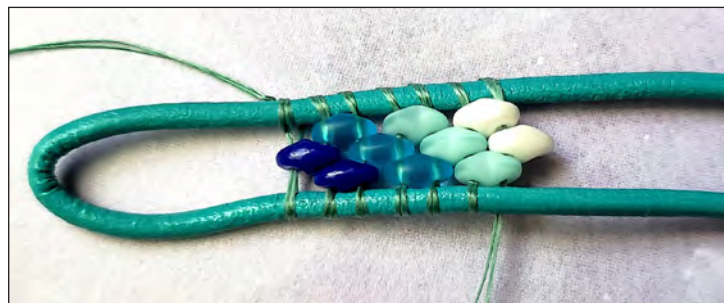

b) Bring the needle over the bottom cord, through the same holes of the three beads (C,C,D), and behind the top cord. Pull snug.

## Step 9:

a) Bring the needle over the top cord then through the second hole of the D. String 1 D, then bring the needle through the second hole of the C and behind the bottom cord.

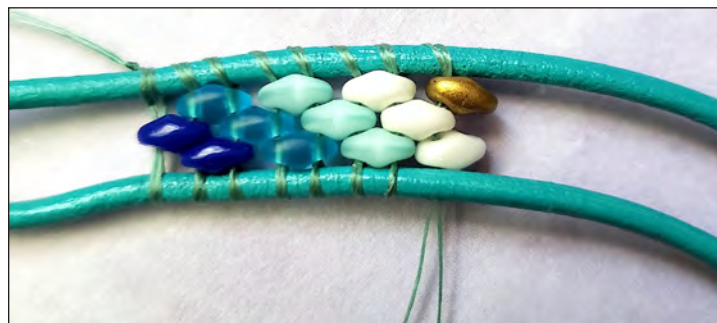

b) Bring the needle over the bottom cord, through the same holes of the three beads (C,D,D), and behind the top cord. Pull snug.

## Step 10:

a) String 1 E and go through the second hole of the D. String 1 D and go behind the bottom cord.

b) Bring the needle over the bottom cord, through the same holes of the three beads (D,D,E), and behind the top cord. Pull snug.

**Step 11:** Bring the needle over the top cord then through the second hole of the E. String 1 E, then bring the needle through the second hole of the D and behind the bottom cord. Bring the needle over the bottom cord, through the same holes of the three beads (D,E,E), and behind the top cord. Pull snug.

**Step 12:** String 1 F and go through the second hole of the E. String 1 E and go behind the bottom cord. Bring the needle over the bottom cord, through the same holes of the three beads (E,E,F) and behind the top cord. Pull snug.

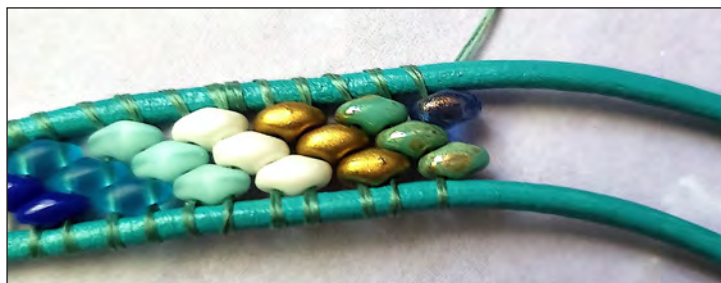

**Step 13:** Bring the needle over the top cord then through the second hole of the F. String 1 F, then bring the needle through the second hole of the E and behind the bottom cord. Bring the needle over the bottom cord, through the same holes of the three beads (E,F,F), and behind the top cord. Pull snug.

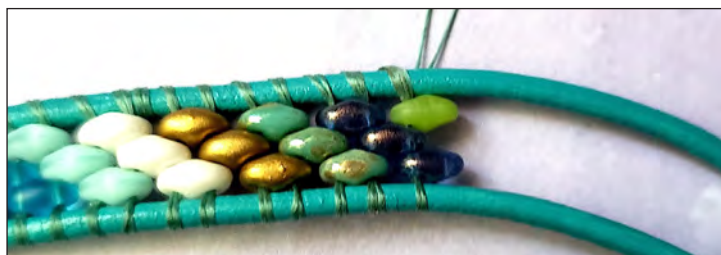

**Step 14:** String 1 G and go through the second hole of the F. String 1 F and go behind the bottom cord. Bring the needle over the bottom cord, through the same holes of the three beads (F,F,G), and behind the top cord. Pull snug.

**Step 15:** Bring the needle over the top cord then through the second hole of the G. String 1 G, then bring the needle through the second hole of the F and behind the bottom cord. Bring the needle over the bottom cord, through the same holes of the three beads (F,G,G), and behind the top cord. Pull snug.

**Step 16:** String 1 H and go through the second hole of the G. String 1 G and go behind the bottom cord. Bring the needle over the bottom cord, through the same holes of the three beads (G,G,H), and behind the top cord. Pull snug.

**Step 17:** Bring the needle over the top cord then through the second hole of the H. String 1 H, then bring the needle through the second hole of the G, and behind the bottom cord. Bring the needle over the bottom cord, through the same holes of the three beads (G,H,H), and behind the top cord.

**Step 18:** String 1 A and go through the second hole of the G. String 1 G and go behind the bottom cord. Bring the needle over the bottom cord, through the same holes of the three beads (G,G,A), and behind the top cord. Pull snug.

**Step 19:** Bring the needle over the top cord then through the second hole of the A. String 1 A, then bring the needle through the second hole of the G and behind the bottom cord. Bring the needle over the bottom cord, through the same holes of the three beads (G,A,A), then behind the top cord. Pull snug.

**Step 20:** Repeat Steps 4-19 for desired length, making sure to end on a step just adding one bead.

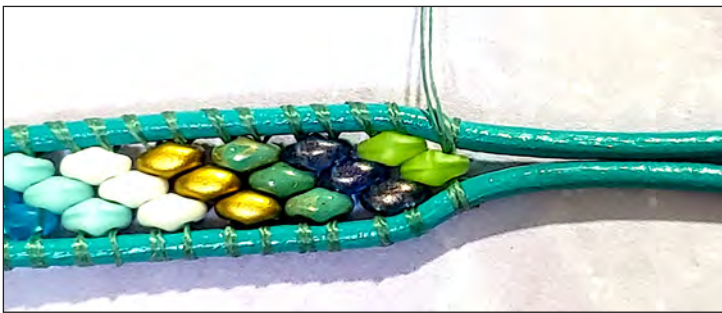

## Step 21:

a) Bring needle over the top cord then through the second hole of the last bead added and behind the bottom cord. Bring needle over bottom cord, through same hole of the bead, and under the top cord.

b) Reinforce by going through again. End over the top cord.

## Step 22:

a) Bring the needle behind the top cord, through the holes of three beads, then over the bottom cord.

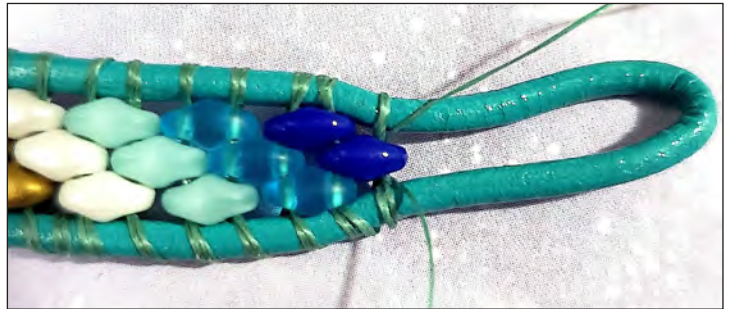

b) Bring the needle behind the bottom cord, through the three beads, then over the top cord. Pull snug.

**Step 23:** Repeat Step 22 two or three times. Trim thread.

**Step 24:** Add needle to one or both of the tails. Bring needle through bead to pull knot inside the hole. Trim ends.

## Step 25:

a) Cut leather so they fit into the crimp cord ends.

b) Attach a crimp end by either squeezing with chain nose pliers or apply glue.

**Step 26:** Attach clasp to crimp ends with jump rings.
