

# SUGA-T, The First Lady of The Click

## Entrepreneur, Advocate, Author, Producer, Actress, Vision Partner, Speaker, Performer

The Legendary Suga-T is a thirty-year Entertainment Veteran that had the best of both worlds growing up in her family record label SWI and in a musical family and is admired as “The First Lady” of her family rap group The Click, featuring her brothers E40, D-Shot and cousin B-Legit, with platinum and gold hit albums such as Hurricane, Captain Save Em’, Scandelous and more. She was developed as an executive and talent, eventually establishing one of the biggest joint venture deals in history with Jive Records and was raised as an only female of her five siblings, surviving violence, domestic violence and trauma, yet mastered surviving in the game as a female in an industry where males are mostly favored, currently teaching others how to do the same. This renaissance woman is staying relevant as a trendsetter to date and was recently presented on VH1’ Hip Hop Honors by Queen Latifah as one of the West Coast Female Hip Hop Pioneers of all time who helped pave the way for females in Hip Hop today. Suga-T is an influencer that has worked with powerful celebrities, political figures, corporate entities and more and is behind the success of many who are still making waves today. She recently released a new book and soundtrack, titled BOSS Up BAYB, on Amazon, and is the host of a new TV Show series titled, “Queens View “Raptable Report” reaching at least ten million broadcast, and available to the millions online in collaboration with other media platforms, such as HULU, Roku, Apple TV and more.

Suga-T is still rocking stages entertaining intimate crowds to full stadium crowds in a variety of musical presentations. You can currently see Suga-T on TVOne’s E40 Unsung segment highlighting her influence behind her twenty million sales and many times gold and platinum successful family Hip Hop group. She is a recipient of the biggest brother and sister “Hip Hop Duet” ever in history with her brother The Legendary E40, titled “Sprinkle Me,” currently presented on The Hip Hop Evolution on Netflix, Don’t “Get Caught Movie” in all your national movie distribution outlets, Maliboodie on the Starz Channel and more while celebrating her multi-genre fifteen album release on various tours, and performing her various brands with a variety of presentations. Suga-T is offering more options for cross-branding with her speaking, performing, acting, hosting, appearances and more, and is available for bookings all over launching a major marketing campaign that continues to presents her presence, projects, services and products to the masses.
