

About Holiday House Boutique – The Heart of Grinchmas

Welcome to **Holiday House Boutique**, a joyful, high-spirited **pop-up handmade artisan showcase** that brings magic to the **Treasure Valley** 2–3 times a year for 2–3 unforgettable days at a time.

Originally established in **2008** and lovingly taken over by me in **2018**, HHB has grown into one of the **most beloved markets in the valley**—and we're proud to say that in the past two years, we've had **record-breaking attendance!** 🎉

HHB is a **juried boutique**, which means every maker and product is carefully selected to ensure the **highest quality, variety, and visual appeal**. Set-up and display are hugely important—not just to me, but to our shoppers and to the artisans who pour their hearts into their work. This isn't just a market—it's a **beautifully curated showcase** that you can be proud to be part of.

What makes HHB extra special?

🎁 **You don't have to man your booth!** That's right—once you've set up your space, **I handle the rest**. There's a **central check-out system**, so you can enjoy the event stress-free knowing your sales are being taken care of.

🎁 We use a **real-time sales tracking system**, so you'll always know what's selling and when it's time to restock your booth with more of your fabulous creations.

At Holiday House Boutique, we're all about **celebrating creativity, community, and a little holiday magic**. I can't wait to see what you bring to the table—literally!

Grinchmas Market Merchandise Guidelines

Welcome to the **Holiday House Boutique – Grinchmas Market Edition!** We are thrilled to welcome **handmade artisan vendors** who bring magic, cheer, and a little bit of Whoville-style wonder to our event.

If you've never sold with us before—**don't be shy!** We love **dreamers, makers, and merry mischief-makers** who are chasing their creative visions and ready to share their talents with the world. 🎨 ✨

Since this is a **juried market**, all items must be approved by our *Grinchmas Committee of Crafty Elves*.

Selections are based on:

- 🎁 **Originality**
- 🎁 **Technical Skill & Craftsmanship**
- 🎁 **Design & Presentation**
- 🎁 **Salability & Holiday Cheer**

We're on the lookout for **unique, one-of-a-kind creations**—items you've **designed, repurposed, or crafted by hand**. Think magical, merry, and maybe even a little mischievous—something that makes a shopper's heart grow three sizes! ❤️

To keep things jolly and fair, we **limit the number of similar product types**. No one wants to stroll through a market where every booth looks the same (not even the Grinch!). We want you to stand out and **be successful**, so we do our best to balance variety and prevent product overlap.

🎄 **Important:** All items must be **available for purchase during the event**—this isn't a pre-order or catalog sale. You're welcome to display business cards or flyers for custom orders, but your booth should be filled with the fabulous, festive goods you've brought and are ready to sell!

We can't wait to see what **holiday magic** you bring to the table—whether it's glittery, rustic, cozy, or whimsical. Let's make this Grinchmas Market one for the storybooks!

Grinchmas Market Display Guidelines

You've put so much heart and hustle into creating your beautiful items—now it's time to **show them off in style!** A thoughtful, inviting display not only draws in shoppers but also reflects the quality and care you put into your work. Let's make sure your booth is just as **magical and merry** as what you're selling!

 **Display within your rented space.** Your setup must fit within the size of the space you selected. If we feel certain items would sparkle in other spots around the venue, our **Grinchmas Committee of Crafty Elves** may suggest a special placement—but that's at our discretion.

 **Tablecloths are a MUST.** If you're using a banquet table, it **must** be covered with a **floor-length tablecloth on all sides visible to shoppers.** No exceptions. It's not just a rule—it's part of the Grinchmas charm! ✨

 **No visible backstock or personal items.** We want booths that feel like **a curated boutique**, not a storage room. Please tuck your extras away neatly or use attractive storage like crates or baskets if visible.

 **No flea market vibes, please.** Presentation matters! A polished booth tells customers you take pride in your work and makes them more likely to buy. Think: cozy, festive, clean, and professional.

 **You are responsible for your own setup.** HHB and the venue **do not provide tables, chairs, linens, or display items**—so plan ahead and bring what you need to make your booth shine!

Let's deck the halls, dazzle the shoppers, and show off your handmade magic the way it deserves to be seen. The goal is for every booth to look like it stepped straight out of a holiday dream! 🧡

Choose Your Grinchmas Booth Size

We offer **three merry booth options** to fit your creative setup and your space needs! Please note that **larger booths are very limited**, and selection is based on product type, variety, and overall layout needs. Requesting a larger booth **does not guarantee** placement in one! ❤️

- **Standard Booth** – 2.5' x 6' (banquet table size): **\$110.00**
- **Mid-Size Booth** – 4' x 8' (4 feet deep x 8 feet across): **\$135.00**
