Thank you for your interest in being part of the Holiday House Boutique Let's Flamingle Market! We are so excited you're here and considering joining our creative, talented, and supportive HHB family.

Let's Flamingle is more than a market—it's a celebration of handmade talent, community, and creativity, and we are thrilled to once again host this event at the Middleton Trolley Station. This venue has consistently delivered incredible success, amazing feedback, and a shopping experience our customers truly love.

This packet will walk you through who we are, what we're looking for, and what to expect if you apply. Please take a few minutes to read through everything carefully—we've worked hard to create a beautiful, organized, and successful market for everyone involved.

We can't wait to see what you create.

ABOUT HOLIDAY HOUSE BOUTIQUE

Holiday House Boutique (HHB) is a **curated pop-up handmade artisan showcase** that takes place **2–3 times per year** in the Treasure Valley for **2–3 days at a time**.

Founded in **2008**, HHB has become known throughout the Treasure Valley as *the* boutique to shop. On average, we welcome **1,000–1,500 shoppers at this particular event**, many of whom plan ahead and return year after year.

HHB is a **juried boutique**, and that is intentional. Set-up, display, quality, and variety matter—to me, to our shoppers, and to our makers. I want this to be a boutique you are **proud to be part of**, where your work is showcased beautifully and surrounded by other talented artisans who value presentation and professionalism.

A Unique HHB Feature

HHB is **not** a market where you man your individual booth. You are responsible for **setting up your space**, and then you leave the rest to me. We operate with a **central checkout system**, meaning I handle all sales for you. Using our software, you can track your sales in **real time**, so you always know what's selling and when to restock.

MERCHANDISE REQUIREMENTS

Holiday House Boutique is happily accepting **handmade artisan vendors**. If you've never sold at an HHB event before—**please apply!** I love dreamers, makers, and creative souls who are pursuing their passions and sharing their talents.

Because this is a **juried event**, all items must be approved by the committee. Submissions are reviewed based on:

- Design
- Technical skill
- Originality
- Salability

I'm looking for **unique, one-of-a-kind items** that are handmade, repurposed, or designed by you—creative products our shoppers are excited to see and purchase.

Product Balance Matters

I intentionally limit the number of vendors selling similar items. No one wants to sell next to four makers offering the same thing—and shoppers don't enjoy it either. Limiting overlap helps ensure **your success** and creates a better shopping experience overall.

All items must be **available for purchase during the market**. You may include business cards or information for custom orders, but the majority of your booth should consist of ready-to-sell inventory.

🌟 We will also host a 🦩 **FLAMAZING GIFT BASKET GIVEAWAY** 🦩 . In the past this brought in many new shoppers and followers. You may be asked to donate an item, but participation is **optional**.

DISPLAY REQUIREMENTS

You work hard on your creations—your display should reflect that effort. A clean, polished, and inviting setup helps customers feel confident purchasing from you.

- Booths should fit within approximately a **6' x 2.5' space** (standard banquet table size), unless otherwise approved.
- In select cases, items may be placed elsewhere in the venue at the committee's discretion.
- If you use a tablecloth, it **must be floor-length on all sides visible to customers**.

Visible backstock and personal items are not permitted. Presentation matters. A professional display shows that you care about your work and how it's presented—and it reflects on HHB as a whole.

If you choose not to use a tablecloth, the area beneath your table must still look intentional and attractive (wooden crates, baskets, etc.). Simply put—**this is not a flea market**, and displays should reflect a boutique standard.
