From the Office of the President

July 2023

OMG!! I'm so tired! I just got back from the NCCC National Convention that was in Bowling Green, KY from June 24-30th. I was so excited that 11 of our members went to this historic convention. While we were there, June 30th was the 70th anniversary of our beloved Corvette, and it was celebrated in so many ways! I hope you got to see some of the pictures and videos on the NCCC facebook page. If you didn't, friend request the page & enjoy! I'm sure there are a few pictures in the reporter. Congrats to Linda Fairlamb for winning 1st place in her class in low-speed autocross at convention!

I hope all you dads had a great Father's Day. June 22nd was our final installment of this round of the "Best Burger contest". Jaxx Pub in Glendale Heights, picked by Diane Wagner was the final location. Another great burger! I will announce the winner of the four locations visited at our next membership meeting on July 11th. On July 4th we had 13 cars represented at the Niles 4th of July parade. Thank you for participating & making money for our club! Thank you to Ski & Linda for hosting us afterwards at Ski's house! Awesome time was had by all!

Coming up in July is three weekends in a row autocross events, and Ed Frost invited us all to his townhouse association car show on July 15th. New installment of the best burger is on July 27th. Check out the calendar in this month's reporter for more details.

Hope you can join us for our next membership meeting on July 11, 2023 at Real Time Sports in Elk Grove Village, IL. Pizza at 7, meeting starts at 7:30. Until then.....

Happy Motoring and remember to Save the Wave.

The June Reporter has been posted, please review new information and photos along with new Tech Tips Section.

Many events were held in May with some great summer weather.

The Starved Rock Poker Run held on May 20th was a great run with 9 cars attending, except for the 2 huge farm tractor which slowed our pace for about 30min. Poker run winners with the high hand was Dan & Diane Wagner and winner with the low hand was Less. Lunch was held at the lodge's Back Door Bar & Grille. Fun was had by all, see photos in the June Reporter. Thanks to all for attending.

The third outing for the Best Burger Contest was at Alley 64 in Palatine held on May 25th with another great turnout. Diane is keeping the ballet tallies a secret until the end of the contest. Next up is Diane's suggestion, Jaxx Pub and Grille, on June 22nd, located 338 E Army Trail Rd., Bloomingdale, IL Remember to bring a \$1.00 to enter the event with voting rights. You must be present at the event to enter judgment "no mail in ballets". This is the final location for Round 1 of selection. Once all the ballets are tallied the 1st Round Winner will be announced at the July 11th club meeting.

Ballets were passed out for suggesting the next 4 restaurants for **Round 2 of the Best Burger Challenge**.

Wisconsin Rally, Blooming Gold Show, Big Rock Car Show with over 180 corvettes attending, and many more.

As a note the NCCC convention in Bowling Green, Ky is coming up soon, June 25th through July 1st, 2023. There are some events that require dress up (business casual), Diane and Linda will be sending more information on the events soon.

Ballots were passed to each of the present 24 members for voting and placed in our official ballot box. After all votes were completed, the results were in favor to pass this change.

Next, she read and asked if there was any discussion on Bylaw change #2023-05 Article IV, Section 2, 3, 4, 5, 8, 9 Duties of the President, Vice President, Secretary, Treasurer, Membership Director, Publications Director which was read at the May meeting, and the proposed changes which were published in the June Reporter. NCCC President's Message

July 2023

WOW July! The heat in Florida is letting us know it is really summer – High temps and afternoon rain. I knew what I was signing up for when I moved to Florida.

We are on our way to convention since this article needs to be posted before we get home. I am sure there will be lots of info about the whole week! That many people will have a lot to say.

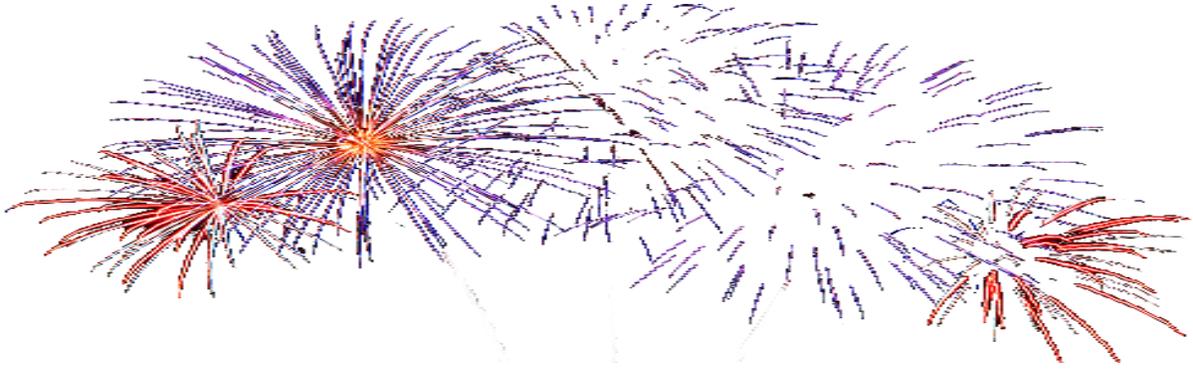

Just wanted to remind you that the items for clubs to vote on will be presented at the September meeting. Now that clubs have a vote on each change for the rulebook, members need to go to the [website](#) (yup, we have one!) and read Competition section where the Competition Committee Approved Changes (Redline) are displayed. If you have questions or need more information please ask your governor, regional competition director or the VP of competition. None are very complicated but there are some major changes.

The 70th Anniversary celebration at the National Corvette Museum opened on June 29th. If you missed the Gala at convention, it might be a good reason for a visit to the museum. The display is of every year Corvette- now that is a great photo opportunity!

Not much else to say. . .I need to pack for convention! I am sure regional events are gearing up too. Come on out and play.

Deb Murphy, President NCCC

Happy Birthday

July 2023 – Tech Tips

The Proper way to Jack up a Corvette

(Especially true of a C4 or C5)

When raising up a Corvette on a lift to do maintenance you need to be careful. If you treat your Corvette like an old pickup truck you will wreck it. This is especially true on the C4's and C5's as the body "rolls" under the frame.

On a C5 Corvette there are 4 cutouts in the fiberglass rocker panels that expose a hole in the frame. There are two on each side. They are meant for a tool called a jacking puck to go into them. You put 1 puck in to each hole so that when the lift touches it, the rocker panels won't be damaged.

Another great tip is to make sure the shop cranks open the doors, hood and trunk when it goes up on the lift. That way you won't crack any body panels – this is especially true on C4's.

Advertising in the *REPORTER*

Advertising in the *Reporter* is very simple. First you choose the size and space which best suits your needs and pocketbook and then how long a period you want your ad to run.

Once those decisions have been made, you will need to choose the design of your ad.

If you already have an ad in another publication, we can simply reproduce it for inclusion in the *Reporter*. Or, you may want to use your business card, which works just as well.

If you wish to create a new ad, we can assist you with your design at no additional charge.

<u>Ad Size</u>	<u>One Month</u>	<u>Three Months</u>	<u>Six Months</u>	<u>One Year</u>
