## August 2024

I can't believe it's August already! I hope everyone is getting out and enjoying their Corvettes! Only a few months left to enjoy our beautiful cars! So, get out there & enjoy! The car shows, cruise nights, festivals and of course my favorite... autocross and rallies are still in full swing. Check out our events calendar that is in the monthly Reporter and on our new & improved website. Additional events will be added as plans are finalized.

We had tons of fun in July! We attended the annual 4<sup>th</sup> of July parade in Niles. We had a non NCCC corvette club join in on our parade fun. We had over 25 cars! Afterwards, Ski and Linda hosted all of us at Ski's house. Thank you everyone for participating and always making this a successful event. July 14<sup>th</sup> Fred Marano lead our group on some beautiful roads to AEppel Treow Winery in Burlington, WI, then up to East Troy, WI to Sammy's Place for a drink. Then off to Genoa to have a fun & lively dinner at Fitzgerald's. What a great day & fun was had by all! Thanks, Fred, for organizing. Sharkfest was on July 27<sup>th</sup>, and our NRL shark cars were well represented.

Coming up on August 24<sup>th</sup> & 25<sup>th</sup> is another NRL sponsored autocross in Rantoul, IL. Please donate your time on one or both days to help work this event. The local hotel is giving us a great rate of \$80 per night, and this event makes money for our club and our charities. See the reporter or the website calendar for more upcoming events.

Hope you can join us for our next membership meeting on August 13, 2024 at Real Time Sports in Elk Grove Village, IL. Pizza at 7, meeting starts at 7:30. Until then.....

**Happy Motoring and remember to Save the Wave.**

## **NCCC President's Message**

**August 2024**

Here we are more than halfway through our competition year. I am sure that Rene' will tell you that does not mean halfway through the events. In the fall, when it's not so hot, more events are bearable outside. Take a look at the events listed on the calendar and have some fun!

REMINDER INFORMATION: To make your reservation in our room block for the national meetings, you need to go to our website under meetings where 2024 Sheraton Reservation bullet is. You cannot use the Sheraton regular reservation site on the website to get into our block. ALSO – you need to have your reservation in at least 3 weeks prior to the meeting date. There is also a tab if you need assistance from

the Sgt at Arms.

The National Corvette Museum has updated forms for car shows. If you would like to have NCM merchandise for sale at your event, there is a form to make that request (deadline is Aug 31 for 2025). There is also a form to get your show listed on the NCM calendar and the newsletter.

The 30th anniversary celebration is coming up August 29 – 31. Lots of events – E-Rays at the Motor Sports Park, dinner with the Corvette race car drivers and the Hall of Fame induction celebration. Check the website for the detailed agenda.

National officer nominations are still open for President, Treasurer, Public Relations and Vice President of Membership. You need to send your application to Scott Frederick, Chairman of the Nomination committee prior to the September meeting.

Speaking of nominations – I am running for another term as President. I would like to finish some of the things started in the past year or so. I would be honored to serve as your President for another term.

Don't forget to check out the updated information on the 2025 convention at the Wisconsin Dells on the website. It will be here before you know it!

Stay cool!

Deb Murphy

## New Member Spotlight- Mike Piecyk

After hanging out with NRL members for over 20 years, Mike decided to take the leap and join NRL too! Mike has had a passion for Corvettes since he was very young and his brother-in-law took him to Skips Drive-In on North Ave in Melrose Park where all the cool cars hung out.

He was so taken by the Corvette that when he came back from the war at age 21 in 1972, he bought his first Corvette, a 1967, for \$2350. He proceeded to clean it up and then sold it and made \$200. Mike now has four Corvettes, and probably because his first was a 1967, his favorite is the 1967 he now owns which he bought in 2010. The car is Marlboro Maroon with only 33,000 miles on it and a vanity plate that says "Memorys".

Mike's been retired about seven years from Pepper Construction where he was a Construction Manager for 40 years. Most of his time now is spent with his family. He's been married to his wife Carrie for 44 years and they have three daughters, and eight grandkids (soon to be nine)! Because of all the family commitments he may not be able to join us at a lot of NRL outings, but he's glad he joined and says he enjoys the meetings because everyone in the group is so welcoming.

**CAMP HOMETOWN HEROES. PROVIDING HOPE AND HEALING TO CHILDREN AND FAMILIES. HOW WE SERVE:** *The children we serve, aged 7-17 years old, are the tragic embodiment of the statement "Freedom is not free." They have made the ultimate sacrifice of losing a loved one who served for our country for the freedoms we enjoy each day. Camp Hometown Heroes is growing every year. In our 11 years of camp, we have welcomed campers from almost every state in America. The more funds we raise, the more children we can welcome. Camp Hometown Heroes is a program of Hometown Heroes, Inc – a 501c3 Non-Profit Organization.*

# WHAT CLASS AM I IN?

**Please use this as a guide in order to select the proper and desired class.** The categories are based on the NCCC rules. Please choose the correct category to place your car. All classes are judged on the basis of 100 points. The operations check is valued at 25 points and the judging of the exterior, interior and engine are valued at 75 points for the **CONCOURS PREPARED**, **MODIFIED**, **STREET SHOW**, **CUSTOM**, and **RACE PREPARED** classes. The basic separation of cars for a Concours event is between the more serious show cars and those that are driven regularly and desire to compete against other driven cars.

Corvettes participating in a Concours event must meet certain minimum standards. The Corvette that is driven regularly is encouraged to participate in a class within the **WASH & SHOW** group or the **STREET SHOW** group, thus not in direct competition with show quality cars that are not often exposed to the open road and its wear and tear.

Cars in **WASH & SHOW** class do not open their hood as part of the Concours judging. This class is not intended to be of interest to the more competitive entrant but provides an opportunity for awards and points to the member who is willing to make the effort to participate. The **WASH & SHOW** cars are judged on exterior and interior only. Minimum deductions will be made in 1/2-point increments.

Cars in **STREET SHOW** class is for entrants who drive their cars regularly and are willing to more completely prepare their car for a Concours, but are still not comparable to the fully prepared (and often trailered) cars in the Concours Prepared or Modified classes. Entrants in the "Street Show" class may be stock or modified. Cars with complete undercarriage/frame/engine detailing do not belong in this class.

Corvettes in the **RACE PREPARED** class must meet the High-Speed requirements and entrants must be prepared to produce some form of proof that the Corvette has raced in any class at least six(6) times in the last twelve(12) months. (Result sheets, timing slips etc.)

Cars that do not fit into the **WASH & SHOW**, **STREET SHOW** or **RACE PREPARED** class will then need to be placed in either the **CUSTOM**, **MODIFIED**, or **CONCOURS PREPARED** classes.

Please know that Classification in Custom, Modified or Concours Prepared is based on the number of original equipment changes to aftermarket add-ons in addition to fully detailing the car to a Concours level.

- Three or Less add-ons (**CONCOURS PREPARED**)
- Four to Fifteen add-ons (**MODIFIED**)
- Sixteen or More add-ons (**CUSTOM**)

Reproduction or replacement parts that are intended to look and function like the original GM parts are considered original and correct. Please make every effort to choose the correct class for your car. No class changes will be allowed during the last hour of registration except changes by the Classification Committee, Chief Judge, or by appeal. There will be no change of classification after judging has begun.

## Advertising in the NRL *REPORTER*

Advertising in the *Reporter* is very simple. First you choose the size and space which best suits your needs and pocketbook and then how long a period you want your ad to run.

Once those decisions have been made, you will need to choose the design of your ad.

If you already have an ad in another publication, we can simply reproduce it for inclusion in the *Reporter*. Or, you may want to use your business card, which works just as well.

If you wish to create a new ad, we can assist you with your design at no additional charge.
