# *From the Office of the President*

**June 2024**

June has finally arrived and can everyone say “Cicada’s!” OMG! They are crazy bad right now. My windshield is getting a real workout! Hopefully they will be gone soon. Car shows, cruise nights, and festivals have started, so I hope you are taking your Corvette out & enjoying what summer has to offer. Check out our events calendar that is in the monthly Reporter and on our new & improved website. Additional events will be added as plans are finalized.

The NCCC convention was in Joplin, MO May 13-18<sup>th</sup>. Linda, Ski, and Mike B. stayed for the week. Dan and I drove down on Wednesday for the National awards dinner. The club received a trophy for being 11<sup>th</sup> place in the country for points. Linda Fairlamb and I placed in the top 15 ladies and also received awards. Congrats everyone!

June 15 & 16<sup>th</sup> is our major fundraiser for the year at Rantoul, IL for our autocross weekend. Please consider working one or both days, and don’t forget the 4<sup>th</sup> of July parade in Niles! Other events are coming together & will be posted on our website.

Hope you can join us for our next membership meeting on Jun 11, 2024 at Real Time Sports in Elk Grove Village, IL. Pizza at 7, meeting starts at 7:30. Until then.....

**Happy Motoring and remember to Save the Wave.**

## NCCC President's Message

June 2024

Summer has arrived as well as hurricane season in Florida - hoping there are none that come my way. Across the nation, events are ramping up so hopefully you can attend a few. I always enjoy the social part of the events as much as the competition.

The Joplin convention is over - thanks 4 States Vettes for a great time. Thanks also to Rene, we had lots of coverage of each day's events on the Members Only Facebook site.

**Congratulations to the 2023 Champions!**

At the September meeting we will get to hear more about the 2025 convention in The Dells in Wisconsin hosted by the Midwest Region. We have some work to do. The only income NCCC has is from membership dues and our membership numbers have not changed very much. On the expense side what we are paying out is substantially more than our income. Below are some cost reduction/savings suggestions to consider in lieu of asking for a dues increase. Your club and region need to discuss the ideas below or other options to consider.

- Eliminate membership cards
- Eliminate National and Regional patches
- Change National meetings to 3 a year instead of 4
- Change BlueBars to 3 a year instead of 4
- Going forward new clubs must be 100% NCCC members

Any change to the dues or the items listed requires a vote from the membership. The following suggestions are for your consideration. We need to talk about these items at the September meeting. If you have questions, please contact the Treasurer or me and we will be glad to help.

That's all I know. Enjoy the summer and events!

**Deb Murphy**

## New Member Spotlight- Mike Cambio

Well, Mike is not actually a new member, he just forgot to renew his membership after 2007! We welcome him back!

Mike has had about ten Corvettes over the years and restored or modified the majority of them. He does most of the work on his cars himself. Back in the day, he worked on his cars with NRL members. Now, his son and grandsons help him.

C3's are his passion. His favorite is his red 1971 which was a body off rebuild done with members of NRL. They put a Buick Grand National engine/transmission into the car and his drag times were in the mid 10 seconds. It was featured in Car Craft magazine in 1997. It also won "Best Engineered" at the Car Craft Nationals in Minnesota in 1998 and "Top Small Block horsepower" at the "Hot Rod Nationals" in 1999. The vanity plate appropriately says "MUTANT".

He's also got a 1962 fawn beige roadster which he traded in his Harley for back in 1975 (the vanity plate says "WAS HOG"), a 1980, and a 2006 Z06 which he had Museum delivered in 2005. He keeps his cars in his three-car garage (with lift) and his three-car basement drive out.

Mike is retired a year now from 50 years in the HVAC industry and has been married to his wife Ellen for 49 years. He has a son, daughter and two grandsons. A little-known fact is that Ed Wodniakowski is his brother-in-law (Ellen is Ed's sister)!

## Advertising in the *NRL REPORTER*

Advertising in the *Reporter* is very simple. First you choose the size and space which best suits your needs and pocketbook and then how long a period you want your ad to run.

Once those decisions have been made, you will need to choose the design of your ad.

If you already have an ad in another publication, we can simply reproduce it for inclusion in the *Reporter*. Or, you may want to use your business card, which works just as well.

If you wish to create a new ad, we can assist you with your design at no additional charge.

Ad Size	One Month	Three Months	Six Months	One Year
1/8 Page (Business card size)	\$2.50	\$7.00	\$13.00	\$25.00
1/4 Page	\$5.00	\$15.00	\$25.00	\$45.00
1/2 Page	\$10.00	\$30.00	\$50.00	\$90.00
3/4 Page	\$15.00	\$45.00	\$75.00	\$140.00
<b>Full Page</b>	<b>\$20.00</b>	<b>\$60.00</b>	<b>\$90.00</b>	<b>\$175.00</b>

Note: The *NRL Reporter* is posted on the *NRL Website* at [www.northernrayscorvette.com](http://www.northernrayscorvette.com)  
That means your ad will reach a bigger audience.
