From the Office of the President

June 2026

June has finally arrived and the temperatures are perfect for getting things accomplished outdoors. Car shows, cruise nights, and festivals have started, so I hope you are taking your corvette out & enjoying what summer has to offer. Check out our events calendar that is in the monthly Reporter and on our website. Additional events will be added as plans are finalized.

Last month, May 14-15th we had 5 cars represent our club at the 15th Annual St. Jude Corvette Run. A total of 142 corvettes caravanned by police escort and blocked intersections from Dyersburg, TN to the St. Jude campus in Memphis. This group of corvettes raised \$750,315.00 for the kids of St. Jude! This was an experience that all of us will never forget. I highly recommend putting this on your bucket list to do. We also had our 4th location for our search for the best burger on May 28th at Charlie Beinlich's in Northbrook, hosted by Mark T. It was a long drive for most of us, but it was well worth it!

I'm looking forward to this Saturday, June 6th where Fred M. has arranged for NRL to tour the Sanfelippo Estate. On June 13 & 14th is our major fundraiser for the year at Rantoul, IL for our autocross weekend. Please consider working one or both days, and don't forget the 4th of July parade in Niles! Sharkfest is on July 11th, and we have a co-sponsor autocross event in Bettendorf, IA on July 11-12th. Other events are coming together & will be posted on our website.

Hope you can join us for our next membership meeting on Jun 9, 2026 at Real Time Sports in Elk Grove Village, IL. Pizza at 7, meeting starts at 7:30.
Until then.....

Happy Motoring and remember to Save the Wave.

NRL Events are Posted on our website: www.northernrayscorvetteclub.com
 Plus, for a full listing of Midwest Region Sanctioned Events go to www.mwregion.com

2026 Events enjoyed so far:

1. Our first event for 2026 was held on January 17th. Eight brave warriors took to their axes at “Axe Zone Lounge” in Schaumburg, while Suzi refereed the competition. The teams were Addison -vs- Bloomingdale. Team Addison edged ahead for the win. Afterwards we went to Stonewood Ale House for dinner.
2. February 15th was our second event, and our second try at Bocce Ball. It was held at the same location as last year, but under a new name and owners. We enjoyed two hours of the most reasonably priced entertainment ever. We did play boy’s against the girl’s on two courts. I believe the winners were split, so no bragging rights this year. Afterwards we went to the Lucky Monk for a late lunch.
3. Our “Search for the Best Burger Challenge” began on February 26th at Real Time Sports (our meeting place) in Elk Grove Village. This location was chosen and coordinated by Katy Baumer. We had thirteen members rate their burgers.
4. On March 13th we enjoyed our annual Lenten fish fry. This year we decided to dine at Roosters Bar N Grill in Bloomingdale.
5. The 2nd installment of our “Search for the Best Burger Challenge” was held on March 26th at Anyway’s Pub in Bloomingdale. Ed Frost was the host for this month’s location. We had eighteen members vote on their burgers.
6. March 29th was our first try at simulator racing. We had twelve members join in on the fun at “Chicago Sim Racing” in S. Barrington. There was several racing tracks to pick from, and we decided on “Watkins Glen” because that is where the highspeed event is being held this year at the NCCC convention in New York. Eight racers took on this track, and had a great time. Afterwards we walked down the mall and had a nice Mexican dinner at Mago Grill & Cantina. Thank you Fred for arranging this fun event.
7. The weekend of April 18-19th was a rallye in Milan, IL. We had three teams represent NRL. Our venture started late Saturday morning to drive to Milan. Fred mapped out a route so we didn’t have to drive the expressways, and Diane found a neat place to stop for lunch. We checked into our hotels & Mark planned a dinner spot for us on the river. Sunday, was the rallye. We had a great time, and Midwest CC did appreciate us attending their event.
8. The 3rd installment of our “Search for the Best Burger Challenge” was held on April 23rd at The Assembly Bar & Café in West Dundee. Mike Baumer was the host for this month challenge. We had 17 members vote on their burgers.
9. On May 3rd Fred arranged a drive out to Crandall’s Chicken in Hebron, IL. The weather cleared up and it was a beautiful afternoon for a drive.
10. May 14th & 15th five couples drove their cars from IL to Memphis, TN to be part of the 15th Annual St. Jude Corvette Drive. Each couple had to raise a minimum of \$2,000 to participate in the run. NRL along with a total of 142 cars raised \$175,315.00 from this event for the kids of St. Jude.
11. Then on May 16th the same 5 couples headed towards home. Dan & Diane lead the way from Dyersburg, TN on backroads to Metropolis, IL where we stopped and see the Superman statue, and gift store, followed by lunch at Fat Edd’s Roadhouse. More back roads to Dan & Diane’s getaway place in Equality for a drink and some target shooting. We finished our backroad trip in Effingham, where we stayed overnight & had dinner at Gabby Goat American Pub & Grill. On May 17th Mid-America opened the doors exclusively for us. (they are closed on Sunday’s) We got to shop, take a tour and hear some great stories from the owners.
12. The 4th installment of our “Search for the Best Burger Challenge” was held on May 28th at Charlie Beinlich’s in Northbrook. Mark Treschl was our host this month. This place was packed, so we had to sit outside in the cold, but Mark had extra jackets for everyone (bonus points for sure!) Trust me, they were needed! We had 10 members vote on their burgers.

Parking Pass info for

Craze Daze MADness Weekend 2026

July 25-26, 2026 ~ 14 Sanctioned Low Speed Autocross Events

Alliant Energy Center (AEC) in Madison, WI

The Alliant Energy Center (AEC) will be hosting another big event this same weekend and will be charging a \$10.00 parking fee per car each day. Our Racers, Volunteers and Guests will all be required to pay the parking fee on Friday, the 24th - Saturday, the 25th - Sunday, the 26th.

~~~~~**HOWEVER**~~~~~

We are working with the Alliant Energy Center to have 70 Parking Passes for our Event to avoid having our Racers, Volunteers and maybe even our Guests paying the parking fee each day.

### PLEASE READ the following:

1. We must have a List of all Racers, Volunteers and Guests to the AEC before July 17th.
2. It would be best if all Racers would pre-register so we would have their name and email address for the List.
3. Volunteers need to send an email to [teamthomas525@gmail.com](mailto:teamthomas525@gmail.com) before July 17<sup>th</sup> to be added to the List.
4. If you know of any Guests that may be coming out to watch, send an email to [teamthomas525@gmail.com](mailto:teamthomas525@gmail.com) before July 17<sup>th</sup> to get them on the List. Please include their name(s) & email address(es). If there are passes available after the Racers and Volunteers receive theirs, any remaining passes will be issued to Guests.

## Advertising in the *NRL REPORTER*

Advertising in the *Reporter* is very simple. First you choose the size and space which best suits your needs and pocketbook and then how long a period you want your ad to run.

Once those decisions have been made, you will need to choose the design of your ad.

If you already have an ad in another publication, we can simply reproduce it for inclusion in the *Reporter*. Or, you may want to use your business card, which works just as well.

If you wish to create a new ad, we can assist you with your design at no additional charge.

| Ad Size                       | One Month      | Three Months   | Six Months     | One Year        |

Note: The *NRL Reporter* is posted on the *NRL Website* at [www.northernrayscorvette.com](http://www.northernrayscorvette.com)  
That means your ad will reach a bigger audience.
