

SERVICES PROVIDED & PRICING

BASE DRAW SERVICE FEE – \$75

DOT URINE DRUG SCREEN – \$75

A DOT (Department of Transportation) urine test is a drug screening process mandated by federal regulations for employees in safety-sensitive positions, such as commercial drivers. These tests are designed to prevent accidents and injuries resulting from drug or alcohol use in the workplace.

SPECIALTY LAB KITS – \$135

Specialty test kits are diagnostic tools designed for home use, allowing users to collect samples such as blood, saliva, urine, or stool and send them to a certified lab for analysis.
