## **COURSE DESCRIPTION:**

High Drive K-9 has created a current, unique, and bold decoy course that will expose you to a whole new look at decoying. From an experienced decoy, an active handler, or a new Officer looking to begin their focus on becoming a handler, this course offers benefits to all. We cover several disciplines including Canine Aggression, Hidden Sleeves, Muzzles, Target Biting, Ground Fighting and much more. Our hands on, innovative & real-life training approach will challenge you, while at the same time increase your skill level on the streets. The results of our course will directly build, strengthen, and prepare K-9 Teams for Real Life Deployments; providing them with advanced techniques to succeed under extreme stress and chaotic events they may experience. **30 Hour Certificate Awarded**
