

K-9 E-COLLAR COURSE

MARCH 11-14, 2019

Hosted by: Okaloosa County Sheriff's Office

COURSE DESCRIPTION:

During this 40-hour course, each K-9 Team will be properly introduced and given a hands-on approach to the E-Collar system. The K-9 Teams will be thoroughly instructed and guided on the utilization of the E-Collar during both training and real-life deployments. Proper use of the E-Collar as a behavior shaping device, a communication tool, and as a corrective measure will be vastly covered. By the end of the course, each K-9 Team will be evaluated to ensure that the handler can correctly read his dog and manipulate the E-Collar correctly. The results of our course will directly build, strengthen, and prepare K-9 Teams for Real Life Deployments; providing them with advanced techniques to succeed under extreme stress and chaotic events they may experience. **40 Hour Certificate Awarded**
