**Hosted By: Gurnee Police Department, Illinois**

## **COURSE DESCRIPTION:**

High Drive K-9 has created a current, unique and bold bite building course that will expose you to a whole new look at training. Handlers know how important a decoy is to a dog's growth and development, but at High Drive K-9 we will take that to a whole new level. From an experienced decoy, an active handler or a new Officer looking to begin their focus on becoming a handler, this course benefits all. In addition, this course offers an explosive, disciplined training approach dealing solely with K-9 Bite Building and Problem-Solving strategies as it applies to Canine Aggression, Hidden Sleeves, Muzzles and much more. The results of our course will directly build, strengthen, & prepare K-9 Teams for Real Life.
