

DECOY DEVELOPMENT & E-COLLAR COURSE

MARCH 2ND-6TH, 2020

Hosted By: Mount Pleasant Police Dept.

COURSE DESCRIPTION:

High Drive K-9 has created a current, unique and bold decoy course that will expose you to a whole new look at decoying. Handlers know how important a decoy is to a dog's growth and development, but at High Drive K-9 we will take that to a whole new level. From an experienced decoy, an active handler or a new Officer looking to begin their focus on becoming a handler, this course benefits all. In addition, our E-Collar course is designed to prepare each K-9 Team with the proper education, introduction, while providing an advanced hand on approach to the E-Collar system. The K-9 Teams will be thoroughly instructed and guided on the utilization of the E-Collar during both training and real-life deployments. Proper use of the E-Collar as a behavior shaping device, a communication tool, and as a corrective measure will be vastly covered. By the end of the course, each K-9 Team will be evaluated to ensure that the handler can correctly read his dog and manipulate the E-Collar correctly. **40 Hour Certificate Awarded**
