

Designed for professional roofers, the FV-17 Twin Head Torch is like having a blast furnace in your hands. It also works great for spot drying.

With the standing, adjustable pilot flame and squeeze trigger, the FV-17 Torch will give you instant performance, tough enough for every job. The FV-17 has also been used for other applications as well, such as; shrink wrapping, industrial processing and floor & road drying.

**NOTE - For best performance, we strongly recommend using this torch with multiple tank installations. Please consult your LP Gas dealer for details.**
