

This torch was designed for use in small, portable patching and asphalt kettles. The steel torch head "Z" bracket is used to support the FV-11-S Torch as it is aimed into a firing chamber. The torch can also be easily removed and used to spot heat your work area.

NOTE - It is recommended that this torch be used in kit form
(kit includes: torch, 6 ft. hose, tank pressure regulator, striker and instruction manual)

- Easy To Use
- Simple Design
- Single Hand Use
- Built-In Support Bracket
- Fully Welded Construction
- Every Unit is Function Tested
- Shipped with HD Brass Valve
