We see the damage done by tornados, floods, hurricanes, ice, fire, etc. all the time. When you see this, have you thought you'd like to go and help these people one day?

The Maury Baptist Association (MBA) does this kind of ministry all the time and we welcome volunteers from all walks of life. It's important, however, that those who want to volunteer receive adequate training ahead of time so when the disaster strikes, they are ready to respond.

With this mind, MBA will be holding a Disaster Relief (DR) training event on Saturday, April 27 (see schedule below). If you are a first-timer or if you are an experienced DR volunteer whose credentials have expired, then this is for you.

Note: Training is free but the Tennessee Baptist Mission Board requires a background check every three years. Cost for this is \$36 so be prepared for this when you arrive. Checks can be made out to Maury Baptist Association.

Important:

If you only need to Recertification, please bring your \$36 for the background check and attend "one" Intro/Recert classes. If you're a newcomer, you'll need to stay for a minimum of two classes plus your \$36 in order to be certified.

Please contact the MBA office to preregister so we can know how many to prepare for: 931-381-0130 or ty@maurybaptist.org
