“Restoring Lives - One At A Time”

Volume 77 Issue 22- July 2019 —Moderator: Edward Dickson - Treasurer: Suzanne Gagneur

As you read this, I'll be with our team in Dillingham, Alaska as we help build a church. This is our 7th straight year partnering with Samaritan's Purse in this worthwhile project. At the conclusion of this year, we will have sent 11 teams and approximately 100 people toward this end.

Also, as you read this, our Vacation Bible School team is in Crossville, TN helping a small church have VBS. They are so excited and have seen God open doors already in their preparations.

Also, work continues on renovations of the MBA office. Phase 1 also complete!

We've also helped two local families recently in providing much needed bathroom facilities. The first was to help a man with handicap access and the second did not have a bathroom at all. To protect privacy, I'll not share many details but suffice it to say because of a good heart of a neighbor who has been witnessing to this family, a local Methodist and Presbyterian church providing finances, and our MBA volunteers – the family now has a functioning bathroom. It's amazing the things we take for granted. Who would have thought such a situation existed here in Maury County.

Would you help me with something? MBA is often involved in mission projects of various types like the ones described above. Some far away; some local. I'm quite positive many more volunteers would like to be involved if they were just aware of the opportunity. With this in mind, would you be so kind as to promote the notice that follows this article? Place it in social media, announcements at church, church newsletter, etc. I'm also providing a second page suitable for an old fashioned bulletin board.

Thanks so much. Blessed to serve alongside you.
