

New: Jerusalem Time

¹ ***After this I looked, and, behold, a door [was] opened in heaven:*** and the first voice which I heard [was] as it were of ***a trumpet*** talking with me; which said, Come up hither, and I will shew thee things which must be hereafter. ² And immediately I was in the spirit: and, behold, a throne was set in heaven, and [one] sat on the throne....⁴ And round about the throne [were] ***four and twenty seats:*** and upon the seats I saw ***four and twenty elders sitting, clothed in white raiment;*** and they had on their heads crowns of gold. ⁵ ***And out of the throne proceeded lightnings and thunderings and voices:*** and [there were] seven lamps of fire burning before the throne, which are the seven Spirits of God {Rev 4:1-3,5}

Matching the 24 priestly divisions set by David (**24**), 6 times the book of Revelations refers to the "**24 elders**" in white who sit on **24 seats** around the Throne of God preserved for the Lamb within the "Holy City," also called "New Jerusalem" (Rev22:3). $6 \times 24 = 144$ "The Elect" (Rev 14:1).

And the city lieth foursquare, and the length is as large as the breadth: and he measured the city with the reed, twelve thousand furlongs. The length and the breadth and the height of it are equal. {Rev 21:16}

Here the new city is measured as a perfect square; 12,000 furlongs by 12,000 furlongs at the base with an equal height of 12,000 furlongs. Since a furlong converts to 185 meters, the base dimensions are **2220 km by 2220 km** (12,000 x 185). A furlong also converts to 607 ft ([see](#)), which equates to *the square of 1,380 miles* ($1,380 = 5 \times 276$ - souls saved from Paul's shipwreck [Acts 27:37](#)).

"John the Baptist" has a value of **2220**. He preceded Jesus, forewarning "the kingdom of heaven is at hand" ([Mat 3:1-2](#)). In pi, the first occurrence of 2220 is followed by **888**, the value of "Jesus."

"John the Baptist" "Jesus"

The *Bible Gematria* site reveals how the dimensions of the mercy seat (2.5 x 1.5 cubits; Exo 25:17), which covered the ark of the covenant, further underscores the prophecy of John the Baptist pointing to salvation in the name of "Jesus Christ."

- ❖ $2220 / 2.5 = 888$ (Jesus)
- ❖ $2220 / 1.5 = 1480$ (Christ)
- ❖ $(888 + 1480) / 2220 = 1.0666...$

The name "John" shares its value of "**1119**" (3×373) with the phrase "Then the king said to the wise men, which knew the times...", ([Est 1:13](#)) as well as holding the ordinal value for *John 19:19* and *Romans 13:11*, a time to wake up and be counted.

*And that, knowing the time, that now [it is] high time to awake (untranslated) out of sleep for now [is] our salvation nearer than when we believed {Rom 13:11} = **1,119**^{OV}*

12,000 + 24 = 12,024 = an anagram of 1224!

“1224” holds the value for “**The Net**” of 153 fishes (John 21:11). 1224 also equals the sum of all four divisors of “**1111**” (foundations), which first occurs at **12700th** position of Pi, and reflects the two-beginning verses of the bible *Gen 1:1* and *John 1:1*. $1,224 = 2 \times 612$ “Scripture” and “Covenant”

The sum of the 4 divisors of “**1111**” ($1+11+101+1111$) = **1224**

The prophetic guarantee of “**1111**” united with “**137**” is doubled in their corresponding words “**jot**” and “**tittle**” of Christ’s sworn promise that echoes His fulfilled prophecy of the rebirth of national Israel (Matt 24:32-35) some 2,000 years before.

*For verily I say unto you, Till heaven and earth pass, **one jot** (1111) or **one tittle** (137) shall in no wise pass from the law, till all be fulfilled. {Mat 5:18}*

Christ’s words here are not an exaggeration to make a point, it’s truly a literal fact. At **127** years old, Sarah was laid to rest in the Promise Land of Canaan (*Gen 23:1-2*). *Hebrews 11:11* points to the result of Sarah’s faith in the promise positioned at the bible’s **30,184th** verse; **8 x 3773!**

*Through faith also Sara herself received strength to conceive seed, and was delivered of a child when she was past age, **because she judged him faithful who had promised.***

From God’s promise to Abraham at verse **400** (*Gen 17:2*) to the faith of Sarah at the **30,184th** verse (*Heb 11:11*) equals 29,784 or **24 x “1241,”** which holds the value of “Pentecost!”

$(30,184 - 400) = 29,784 = “24”$ “Brought” “Beloved” “David” **x 1241 “Pentecost”**

“1241” = “Pentecost” **G4005, 3 x 1335** (*Dan 12:12*), **24** = “of the Nation”

America’s jubilee occurred when she gained her independence on *July 4, 1776*. The two former presidents Thomas Jefferson and John Adams, who wrote the constitution, both died on the same day “fifty” years later *7/4/1826*. Therefore, we can apply 1776 to Haggai’s date for consideration as a foundation year (*Hag 2:18-21*). The result shines forth the glory of God!

The First Witness of Mary Magdalene

After the crucifixion, which she had also witnessed as her companions fled, each of the four gospels record Mary Magdalene in company or as the first to see Jesus after His resurrection. The gematria for “**Magdalene**” happens to be “153” ($1224 = 8 \times 153$).

In the end of the sabbath, as it began to dawn toward the first [day] of the week, came Mary Magdalene and the other Mary to see the sepulchre. **And, behold, there was a great earthquake**: for the angel of the Lord descended from heaven, and came and rolled back the stone from the door, and sat upon it. {Matt 28:1-2}

Now when Jesus was risen early the first day of the week, **he appeared first to Mary Magdalene**, out of whom he had cast seven devils. And she went and told them that had been with him, as they mourned and wept. {Mark 16:9-10}

And they found the stone rolled away from the sepulchre. And they entered in, and found not the body of the Lord Jesus. **And it came to pass, as they were much perplexed thereabout, behold, two men stood by them in shining garments**: And as they were afraid, and bowed down [their] faces to the earth, they said unto them, Why seek ye the living among the dead? He is not here, but is risen: remember how he spake unto you when he was yet in Galilee, Saying, The Son of man must be delivered into the hands of sinful men, and be crucified, and the third day rise again. And they remembered his words, And returned from the sepulchre, and told all these things unto the eleven, and to all the rest. **It was Mary Magdalene, and Joanna, and Mary [the mother] of James, and other [women that were] with them, which told these things unto the apostles. And their words seemed to them as idle tales, and they believed them not.** {Luke 24:2-11}

Jesus saith unto her, Touch me not; for I am not yet ascended to my Father: but go to my brethren, and say unto them, I ascend unto my Father, and your Father; and [to] my God, and your God. **Mary Magdalene came and told the disciples that she had seen the Lord, and [that] he had spoken these things unto her.** {John 20:17-18}

“Magdalene” means “a tower” ([G3094](#)) and is the name of the place in Palestine where Mary was from. The Aramaic origin of tower is “migdal” ([H4026](#)) and occurs “50” times in the bible. Like the event of the miraculous fish catch, Mary “Magdalene” being the first to see the Lord highly identifies with Christ’s post-crucifixion/resurrection appearances before the Ascension and has a gematria value of **153** consisting of “ten” Hebrew letters.

“Magdalene” = “[η Μαγδαληνή](#)” ($8 + 40 + 1 + 3 + 4 + 1 + 30 + 8 + 50 + 8$) = 153

We have seen the profound time path uncovered in applying America’s Independence year 1776 to Haggai’s date ([Hag 2:18-22](#)) to be considered (pg. 4). However, the significance of the jubilee year 1994 cannot be overstated. *The Lord’s Jubilee Foundation Table* has remained an unchallenged pillar of hope, holding up the enduring faith throughout the steadfast progression of this watch.

As we have seen, the connection between the numbers "12,000" and "24" are highlighted together in Revelations' description of the elders seated in the New Jerusalem. The product of these two numbers equate to **288,000**. Amazingly, the product of the 28 letters of Genesis 1:1 equals the perfect cube $288,000^3 \times 1,000,000$, or $288^3 \times 10^{27}$

288 (12 x 24) is the totient function of 888 (value for Jesus), while 576 (24 x 24) is the totient function of 1480 (value for Christ). The sum of the totients, 288 + 576 equals "[864](#)," which holds the value for "Jerusalem." (See Totient calculator illustration and link on next page forward)

David (David = 24) planned the building of the temple in detail with 38,000 Levites of at least 30 years old. Of the total, David assigned 24,000 men to work on the house of the Lord, 6,000 men as officers and judges, 4,000 as porters, and the remaining 4,000 as musicians dedicated for praise. It's significant that the "last" assigned group of musicians were led by exactly "288" men of understanding to give praise ([1 Chro 23:1-5](#)).

*So the number of them, with their brethren that were instructed in the songs of the LORD, [even] all that were cunning, was **two hundred fourscore and eight**. {1 Chro 25:7}*

The Hebrew words **ניצול הזמן** translated in English as "time usage" has a standard value of "288." It is the very essence of the watch to use the time wisely as the day draws near. This agrees with Romans 13:11 and the Psalm cited below.

***So teach [us] to number our days, that we may apply [our] hearts unto wisdom.** ¹³
Return, O LORD, how long? and let it repent thee concerning thy servants. {Psa 90:12-13}*

The following article on the letter [LAMED](#) is an excerpt from the Hebrew4Christians website:

The letter Lamed is the 12th letter of the Aleph-Bet, having the numeric value of 30. The pictograph for Lamed looks like a shepherd's staff or goad, whereas the classical Hebrew script is constructed of a Kaf with a Vav standing upon it:

1. The Uniqueness of Lamed

The letter Lamed is unique in the Hebrew alphabet since it is the *tallest* letter (it is the only letter that rises above the baseline) and, as the 12th letter, it is considered the *central* letter (or "heart") of the Hebrew alphabet:

Since Lamed towers over the other letters from its central position, it is said to represent *melekh hamelakhim*, the King of Kings. This idea is supported by the idea that the preceding letter stands for *kisei hakavod*, "the throne of Glory," and the following letter stands for *malkhut*, "kingdom." The sages also point out that the three central letters can spell the word *melekh*, King.

2. The Meaning of Lamed

The original meaning of Lamed probably was "to prick, sting, incite, goad," as a shepherd might prod cattle to perform some action. Hence the ancient pictograph was that of a staff or goad, representing authority.

The Hebrew name of the letter itself, *lamed*, comes from the root *lamad* meaning to learn or teach, which first occurs in Deuteronomy 4:1

ועתה ישראל שמע אליה חקים ואליה משפטים
אשר אנכי מלמד אתכם

"And now, O Israel, listen to the statutes and the rules that I am **teaching** you..."

From this we can see that the first business of learning is *mishnei Torah*, the repetition (or inculcation) of the Torah. Indeed, since Lamed is the tallest of the Hebrew letters, it draws our attention to the source of all learning, namely the Torah itself.

3. Lamed and Heart Knowledge

Rabbi Akiva (50-135) is said to have noted that the spelling of *Lamed* can be seen as an acronym for the phrase *lev meivin da'at*, meaning "a heart that understands knowledge":

A Destiny of Promise

After appreciating the proof of the 11013 BC creation timeline, recognizing its divine integration with gematria has advanced the progression of this watch far beyond any imagination.

This journey could be likened to a long drive to an exciting destination for the first time with the sole use of a GPS. Instead of Global Positioning System, we could call it “*God’s Promise Search*,” with the timing programmed with the support of God’s feast days as signposts and markers for orientation along the way. The destination is set for the appointed time of the Promise Land.

To avoid getting lost, it’s necessary to stay alert and focused on the bible’s GPS because it’s the only reliable source of direction. Since we’ve never been to the destination before, we can only trust each direction or path one step at a time. If we think might be veering slightly off course, the bible GPS automatically adjusts to bring us back on track.

As the drive goes on, we come to a major stop sign called the “*Lord’s Jubilee Foundation Table*” (pg. 6) that confirms and reassures us of God’s guidance and hand along the way. This huge marker served as a reminder to keep pressing forward, despite the naysaying critics, because the sign was so biblically monumental pointing to Sarah’s rest in the Promise Land of Canaan. As time passes, we know we’re getting closer as each time path becomes more profound than the last, just like as time continues countdown on the clock of a GPS.

The “*two great lights*” of the *Great America Eclipse* of 2017 and 2024 kept beaming brighter and brighter as the Great Day approaches. Finally, we are led to the key corresponding number 24, which points to the final leg of the journey, messaging ‘*Arrival just ahead 2024*.’ Hebrews 11 describes a similar experience with Abraham.

By faith Abraham, when he was called to go out into a place which he should after receive for an inheritance, obeyed; and he went out, not knowing whither he went. By faith he sojourned in the land of promise, as [in] a strange country, dwelling in tabernacles with Isaac and Jacob, the heirs with him of the same promise: For he looked for a city which hath foundations, whose builder and maker [is] God. {Heb 11:8-10}

Watch therefore for ye know not **what hour** your Lord doth come {Mat 24:42} = **Verse 24,000**

*Is any thing too hard for the LORD? **At the time appointed I will return** unto thee, according to the time of life, **and Sarah shall have a son.** {Gen 18:14} = **2024***

What’s impossible to man is not hard for God (Mat 19:26). Valued at 2,024, by tying the promise of Isaac’s birth with God’s return, assures us that the fulfillment of Isaac’s birth at the set time guarantees the fulfillment of Christ’s return at the appointed time of life in 2024.

In both the Hebrew and Greek alphabet, each letter is a word made up of letters itself, which means the letter-words have numeric values of their own. For example, the 12th Hebrew letter “Lamed” (written out fully as Lamed-Mem-Dalet) has a numerical spelt-out value of 74, (as [Lamed](#) = 30, Mem = 40 and Dalet = 4). Thus, the numeric value for any word can be expanded to the sum of the spelled-out letters as well.

This understanding becomes significant regarding the children of Israel’s exodus out of Egypt, which the bible records occurring on a specified night at the end of 430 years of bondage in Egypt.

*40 Now the sojourning of the children of Israel, who dwelt in Egypt, [was] four hundred and thirty years. 41 And it came to pass at the end of the four hundred and thirty years, even the selfsame day it came to pass, that all the hosts of the LORD went out from the land of Egypt. 42 It [is] a night to be much observed unto the LORD for bringing them out from the land of Egypt: **this [is] that night** of the LORD to be observed of all the children of Israel in their generations. {Exo 12:40-42}*

In the above passage, the phrase “**this** ^{H2088} **night** ^{H3915}” has a value of 97, which matches the numeric value for “time” (H2166). When each letter of the word “time” is spelled out and numbered, the sum of the letter values is amplified to “253.” As an 8 times divisor of 2024, “[253](#)” is the ordinal sum of the Hebrew Alphabet ^{OH} and holds the value of the phrases “**come to an end**,” “**threshing floor**” & “**sing**.” 253 x 8 = 2024. **8** relates to “infinity” and “new beginnings.” “The Times of Israel” site posts a blog that expounds on “the night” as “[The Nullification of Time](#).” So let’s see what happens when we apply the vey date of Passover night to the last day ahead.
