Prior to receiving Gabriel's prophetic vision, the prophet Daniel was supplicating on behalf of Jerusalem, who were being reproved with confusion, for their trespasses against the Lord.

*O Lord, righteousness [belongeth] unto thee, **but unto us confusion of faces, as at this day**; to the men of Judah, and to the inhabitants of Jerusalem, and unto all Israel, [that are] near, and [that are] far off, through all the countries whither thou hast driven them, because of their trespass that they have trespassed against thee. O Lord, **to us [belongeth] confusion of face**, to our kings, to our princes, and to our fathers, because we have sinned against thee. {Dan 9:7-8}*

Indeed, it's confusing how a twice-impeached, 4-times indicted, 34-count convicted felon who spearheaded an insurrection remains free and a leading candidate supporting mass expulsion in the wake of an outrageous [2025 plan](#) to dismantle the government by firing thousands of federal workers who don't align with a dictator's agenda. Then an assassination attempt just days before his party's convention only deludes destiny and further catapults his ambition for an autocratic government based on vengeance.

It's also perplexing to watch how a biased and corrupt Supreme court can halt long-established affirmative action and rules official presidential immunity for absolute crimes while itself is under fire for excess, clear conflicts of interests and blatant ethics violations. At the same time, despite an epic consequential record while heading NATO through two proxy wars, an aging incumbent president is forced to withdraw under his party's intense pressure campaign to bypass a traditional election process, which should remind us of the consequences when a house is divided against itself (Mark 3:25).

However, suddenly the party unites and is energized with the paradox of a former career prosecutor vying for presidency against a convicted serial felon, which epitomizes "good" vs. "evil" as the new democratic candidate runs on a campaign of "freedom" and "future of hope."

Freedom and hope are the very essence of the jubilee time in scripture. President Lincoln declared the Proclamation of Emancipation to end slavery in America on January 1, 1863.

It could be inferred that the death of Hitler was the beginning of freedom for the Jews. This theme of “light” through the number **1373** was previewed in the prior watch of the 7<sup>th</sup> year Great American Eclipse of 2024.

Amazingly, this year’s *Democratic National Convention* is scheduled to be held from August 19<sup>th</sup> to 22 perfectly timed to coincide with our concluding week for the end of the world; August 21, being 7<sup>th</sup> anniversary of Great American Eclipse I in epic Chai Sarah year **2017**, to the “third day” 8/23/24. It just so happens that this exact [3-day span in August](#) covers the United Nations’ **International Days of Remembrance** for the oppressed around the world.

While the new world nation will be seeking to nominate a new party leader, the people of God will cry “*Hosanna; Blessed is he that cometh in the name of the Lord*” (Mark 11:9-10).

**For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder:** and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace. {Isaiah 9:6}

Incredibly, as displayed by Bible Gematria, every seventh Hebrew letter in Isaiah 9:6 sums up to **888**, the Greek gematria value of “Jesus,” “the third day” and “the salvation of our God.”

\*\*\*\*\*

The biblical history of persecution and oppression should reflect on all bible students of Israel's 430 years of captivity in Egypt. The story of Israel's bondage in Egypt is paramount in scripture referenced over 1,000 times. So much so that God introduces the Ten Commandments by identifying Himself as the One who brought His people out of the land of Egypt.

And God spake all these words, saying, I [am] the LORD thy God, **which have brought thee out of the land of Egypt, out of the house of bondage**. {Exo 20:1-2}

God repeatedly emphasizes the dramatic exodus that He brought His children out of the land of Egypt over 550 times throughout the bible. This miraculous episode that the Lord records in scripture cannot be overstated.

Similarly, America holds a long history of persecution and slavery as well. If one understands the numbers "1492" and "1776" spiritually signify America as picture of the "Promise Land," the consequences of "1619" marking the beginning of slavery also makes the evolution of America a picture of the Egypt deliverance as well. Thus, the inclusion of 1619 in US history numerically collaborates perfectly with the identity and sovereignty of the Lord God Almighty.

$$1492 + 1776 + 1619 = 4887$$

$$4887 = 3 \times 3 \times \underline{543} \text{ "I AM THAT I AM"}$$

Therefore, it is not misplaced to conclude that America's victims of oppression reflect a picture of the children of God soon to be redeemed. There are 405 years from 1619 to the end 2024. Strong G405 = "slave dealer." This translates to "oppression to the very end," which means that God once again will free His people out of Egypt at the end.

For he is not a Jew, which is one outwardly; neither [is that] circumcision, which is outward in the flesh: But he [is] **a Jew, which is one inwardly; and circumcision [is that] of the heart, in the spirit, [and] not in the letter; whose praise [is] not of men, but of God**. {Rom 2:28-29}

Amazingly, the word "Pentecost" (G4005) happens to fall at the 1619<sup>th</sup> position counting backwards from the "last word" of the bible, "Amen" (Rev 22:21). "1619" holds the value for "salvation." A concordance search of the word "tarry" (until Pentecost) is also associated with the number "seven," just as the total eclipses of 2017 and 2024 are "seven" years apart.

The foundation of freedom in America began in 1776 when the original 13 British colonies declared its independence on the 4<sup>th</sup> of July. The combination of 13 and 1776 is also central in the foundation of the Word as the two numbers multiply to 23,088, which holds the value for John 1:2-5.

*The same was in the beginning with God. All things were made by him; and without him was not any thing made that was made. In him was life; and the life was the **light** of men. **And the light shineth in darkness; and the darkness comprehended it not.***

The number "3430" is an integral component of the gematria value 45,960 of the *Ten Commandments (less Exo 20:1)*, in which "[The Spirit Shines](#)."

**"3430" is also positioned at the 666<sup>th</sup> digit of Pi!**

**Here is Wisdom: [Rev 13: 6+6+6](#) = The number of man is 666**

The word "count" occurs **13** times each in the OT and **13** times in the NT

Adding 2024 to the sum of three historic American years, 4887 (1492, 1619, 1776), the result is 6911 (2024 + 4887). 6911 is the 889<sup>th</sup> prime number where the digits "1776" is first found at the 889<sup>th</sup> position of Pi. "1776" holds the value for the words "last" and "prophecy." "889" equals 7 x 127 and is found at the 1141<sup>st</sup> digit of Pi. "1141" holds the value of "eternal." "889" holds the value of each of the words "hidden" (G613), pathway" (H5410), "to walk" (G4043), which produces a concept "a hidden path to walk." 889 also equate to the words "great" and "equality."

Significantly, the words "jot" (1111) and "tittle" (137) are jointly incorporated in Christ's sworn prophecy that every letter of His word would be fulfilled as previewed by the fulfillment of His 2,000-year fig tree prophecy for national Israel in 1948.

Regarding Isaac Newton, Albert Einstein said that "His clear and wide ideas will forever retain their significance as the foundation on which our modern conceptions of physics have been built." Albert Einstein's theory of relativity overturned Newton and elevated him to be awarded the Nobel Prize in Physics imprinted on his legacy:

His [mass–energy equivalence](#) formula  $E = mc^2$ , which arises from relativity theory, has been called "the world's most famous equation".<sup>[6]</sup> He received the 1921 [Nobel Prize in Physics](#) "for his services to theoretical physics..." Wikipedia

In her book "Geneses One" bible research author, Bonnie Gaunt, ventures to apply gematria values to Einstein's theory of relativity. Einstein's formula reveals that light ( $c$ ) is the common denominator of matter ( $m$ ) and energy ( $E$ ). Therefore, Gaunt mathematically reverses the formula and substitutes values for energy 37 and speed of light  $27^2$  to determine the result for matter.

$$m = E/c^2$$

$$E = 37 \text{ (Power)}$$

$$\text{(Speed of light)} c^2 = 27 \text{ (Light)}$$

$$m = 37 \div 27 \text{ (Mass)}$$

$$m = 1.37037037\text{..... (Fine Structure Constant!)}$$

$$30 = \text{"Judah"} \text{ (Praised), "Ten"} \text{ Rev 2:10}$$

The phrase "the thanksgiving" valued at 30 is found once in the bible in Nehemiah 11:17, while the words "Judah" and "ten" are found are each found with a value of 30 at least three times or more. The number ten relates to completion. Judas betrayed Christ for 30 pieces of silver.

<sup>3</sup> Then Judas, which had betrayed him, when he saw that he was condemned, repented himself, and brought again the **thirty pieces of silver** to the chief priests and elders,

<sup>9</sup> Then was fulfilled that which was spoken by Jeremy the prophet, saying, And they took the **thirty pieces of silver**, the price of him that was valued, whom they of the children of Israel did value; {Mat 27:3, 9}

The bible has no Hebrew word for "money," which is always referenced as a unit of gold, silver or other metal. While silver was used for day-to-day purchases, gold was valued at twenty times the value of silver. This means that Judas traded Jesus for worldly possessions.

In Trumpets, the jubilee year 1994 announced the watch and imminent return of the Lord and Savior Jesus Christ. The "*Christians*" who rejected this historic announcement were, in essence, were trading in their redemption for 30 years of the pleasures of the world. Similarly, Esau sold his birthright for a bowl of stew (Luke 21:34).

<sup>32</sup> And Esau said, Behold, I [am] at the point to die: and what profit shall this birthright do to me? <sup>34</sup> Then Jacob gave Esau bread and pottage of lentiles; and he did eat and drink, and rose up, and went his way: thus Esau despised [his] birthright {Gen 25:32,34}

It's important to appreciate the Lord's guidance to the *Feast of Thanksgiving* - 11/23/23 as the pivotal time post counting 137 days to America's Solar Totality of April 8, 2024, then a double 137 days to August 23, 2024. After Christmas, Thanksgiving is the most celebrated holiday in America. In our day, the signature American feast of thanks garnered attention as a phenomenon when it merged with Hanukkah on November 28, 2013, at the arrival of comet ISON, a once in a 70,000-year occurrence. In preview, *Thanksgiving* 11/26/20 fell exactly "1111 days" from *Epic Chai Sarah* 11/11/17.

The word "Thanksgiving" holds the value of 1637, which matches the appointed time verse of Habakkuk 2:3

For the vision [is] yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry. {Hab 2:3}

After the Emancipation Proclamation, President Abraham Lincoln officially made Thanksgiving Day a national holiday in 1863.

➤ From 1<sup>st</sup> National Thanksgiving 10/3/1863 to 8/23/24 are 58,765 days

As noted, the enormous significance of “Thanksgiving” drew intense attention when it merged with Hanukkah as “Thankgivukkah” on November 28, 2013. This merger could not recur for another 70,000 + years. If this was not enough, the day was punctuated with the perihelium arrival of Comet ISON, which fell 666 years from the Black Death Comet Negra in 1347 when some two thirds of the European population perished from the plague. It’s truly a wonder how the phenomenon of this day could be lost in the minds of anyone still walking on earth today.

➤ From Epic Thankgivukkah 11/28/13 to Last Day 8/23/24 are [3921 days](#)

$$3921 = 3 \times \a href="#">1307 “last,” “feeding”$$

This word “last” valued at 1307 is found in the 66<sup>th</sup> and last book of the bible. “1307,” of course, is an anagram of “137.”

*And I saw another sign in heaven, great and marvellous, seven angels having the seven [last](#) plagues for in them is filled up the wrath of God. {Rev 15:1}*

The extreme rarity of both feasts falling on the same day triggers one to consider the similarity between Thanksgiving and Hanukkah as solemn feasts devoted to thanks. We can further appreciate “Thanksgiving” in understanding that Hanukkah evolved as a delayed Feast of Tabernacles, which Judah Maccabee established after the Jews restoration of the Temple. The eight days of candlelight from one day of oil confirmed the manifestation of the Lord’s victorious presence with His people.

Tabernacles is known as feast of booths where the children of Israel celebrated God’s continued provision for them in the current harvest and remembered His provision and protection during the 40 years in the wilderness. At the Feast of Tabernacles the Israelites, who returned to rebuild the temple, gathered to celebrate under the leadership of Joshua and Zerubbabel ([Ezra 3](#)). It was during this feast when the Jews heard Ezra read the Word of God to them ([Neh. 8](#)). Ezra’s preaching resulted in a great revival as the Israelites confessed and repented their sins.

It turns out that the teachings of these two feasts were actually pointing to the ultimate thanksgiving feast in the 13,035<sup>th</sup> acceptable year of the Lord, which began 11/23/23 and extends [274 days](#) (137 x 2) to the end. This explains why the word “thanksgiving” shares the same value of [1637](#) with Habakkuk 2:3, which states the appointed time “...at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry.”

Another profound perspective of the God's prophetic purpose from the very beginning is found in the table of word-fragment values of hidden in Genesis 1:1.

## “Two Great Lights!”

The following table illustrates that the parsing of word-fragment values of the *Genesis 1:1* reveal that God’s prophetic plan, signaled by America’s “Two Great Lights” of totality, was numerically encoded at the beginning of creation in the very first words of the bible. Notably, not only is America’s birth year 1492 totaled between the first and last words of the verse; the subject portion of the sentence (*the heaven sign and the earth*) equates to “*gematria*,” “*the heavens were opened*” and “*two great lights*” (1499).

The first and last words of the verse totaling 1209 identifies the completion of the “Word” being a factor of *John 1:1* (1209 x 3) and the result of 3 times “403,” which holds the value for the jubilee theme of redemption: “*the fiftieth year*,” “*and God called*” and “*Salvation comes!*”

According to Revelations 3, in the context of keeping watch (Rev 3:10-14), the “*last word*” of the bible - “*Amen*” (Rev 22:21), identifies with Christ because He is the affirmation of Truth from the beginning.

...These things saith **the Amen**, the faithful and true witness, **the beginning of the creation of God**; {Rev 3:14}

The word “*profitable*” is Strong’s last indexed word in the KJV bible at G5624. This word happens to be preceded by the word “*Pentecost*” (G4005) by a difference of 1619 assigned words (G5624 - G4005). “1619” is the year that the profitable trade of slavery began in America. “1619” holds the value for “*salvation*” and the phrase “*to cry out in a loud voice*.” At Pentecost, Peter stood and “*lifted up his voice*” and explained the manifestation of darkening signs to come at the end of the world (Acts 2:14-20), as “*spoken by the prophet Joel*” (Acts 2:16, Joel 3:14-16). Similarly, Christ “*stood and cried*” out on the last day of the great feast of Tabernacles (Joh 7:37).

America’s start of slavery in 1619 fell **127 years** from her beginning in 1492. Sarah was laid to rest in the Promise Land at age 127. The word indexed at G1492 occurs “666” times in the bible and shares its translations “*to see*” and “*behold*” with Strong indexes G3700 and G2300. 1492 is also the result of 2 x 746, which holds the value for “*Authority*” and “*To open the Book*.”
