

The Great US Totality Years

"A Light of Seven Days"

Although the year **2024** is now history, its deeply profound timelines projected *"great light"* which were just as intense as *"The Year of Light 2017."*

First the *Great American Solar Eclipse 4/8/24* counted 137 days from Pivotal Thanksgiving 11/23/23. Another 137 days later was 10° beyond Tisha B Av 8/23/24. The next watch counted 373 days to 3rd day Thanksgiving 11/30/24, then 401 days to 3rd day Hanukkah 12/27/24, which was also 2603 days (19 x 137) from Epic Chai Sarah 11/11/17 and finally the Year's End 12/31/24 fell 404 days from Pivotal Thanksgiving 11/23/23. Yes "2024" was truly a very special year.

In terms of interconnected timelines, the *"totality years"* 2017 and 2024 were two of the most prophetic years in this generation. 2024 must be viewed in the context of 2017. The second part of Genesis 1:1 *"the sign [untranslated] of the heaven and the earth"* shares its value of 1499, with the phrase *"two great lights,"* which encompasses the value 1104 *"a light of seven days."*

*"In the beginning was the **Word**, and the **Word** was with God, and the **Word** was God."*

Gen 1:1 is signaling the two Great Lights, seven years apart, are prophesying 7 years ahead.

*And God made **two great lights**; the greater light to rule the day, and the lesser light to rule the night: he made the stars also. Gen 1:16*

*Moreover the light of the moon shall be as the light of the sun, and the light of the sun shall be **sevenfold, as the light of seven days**, in the day that the LORD bindeth up the breach of his people, and healeth the stroke of their wound. Isa 30:26*

7 years ahead would be year 2031, which would be 37 years from Jubilee foundation year 1994, 20 years from spiritual judgement year 2011 and a double 7-years from 2017

The two totality years crossed paths at the 2nd Great Totality on 4/8/24. The was a pivotal midpoint as the hidden "Sign" untranslated in the center of Genesis 1:1. But before we count the dates, let's review the prior lesson entitled *"The Sign of All Time."*

“The Sign of All Time”

Considering “**X marks the spot**” as illustrated above, one could view the “New World” with the hidden treasure of time, which gets discovered where God draws an **X** sign on “the earth” for the year **2024** where it crosses year **2017**. “**400**” relates to “**sign**” of the sun, and holds the value for “harvest,” “heaven,” “judge,” “year,” “unto glory” and the last Hebrew letter tav (cross). The first letter alpha plus tav equals **401**, which also values “Sign.” This is the key hidden Hebrew word that’s un-translated to English in the very center of the first creation verse of the bible.

“Sign”						
הָאָרֶץ	וְאֵת	הַשָּׁמַיִם	אֵת	אֱלֹהִים	בָּרָא	בְּרֵאשִׁית
the earth	and	the heaven	(untranslated)	God	created	In the beginning
296	407	395	401	86	203	913
↑	↑	↑				

In other words, because the number 401 is included in its total value 2701, it would be perfectly accurate to translate Genesis 1:1 as: “In the beginning God created **the signs of the heaven and the earth**,” which is clearly collaborated by the declaration of heavens in *Psalms 19, the 19th book of the bible*. Based upon the collective evidence of faith and patience, it’s safe to conclude that God had marked the year of His return for **2024** from the very beginning of creation.

From Genesis 1:1, the sum of the hidden “**sign**” + “**and**” + “**the earth**” = **1104** (401 + 407 + 296). “**1104**” holds the value for “**God the Son**” (“*The Son of man*” **3030**), which is linked to *Psalms 110:4*

*The LORD hath sworn, and will not repent, Thou [art] a priest for ever **after the order of Melchizedek.** (1010 Hebrew & 2020 Greek) {Psalms 110:4} = 1104*

There are seven years from *X Sign Totality 4/8/24* to the first morning of *Passover 4/8/2031*. The results from *Epic Chai Sarah* are astounding because her faith captivates God’s promise to deliver. Not only are the digits **1111** found at the **12,700th** position of pi, but the sum of its divisors is also “**1224**.” Here we see promise of God comes full circle. The other major 2017 sign has a fascinating result as well. “**383**” is described in the article cited below by the Bible Wheel revealing it integration within the structure of the Ten Commandments.

- From *Epic Chai Sarah 11/11/17* to *1st day Passover Morning 4/8/31* are **4,896 days**

$$4,896 = 4 \times 1224 \text{ (Sum of divisor of 1111), "The Net"} = 4 \times 8 \times 153$$

$$1,224 = 2 \times 612 \text{ "Covenant," "Scripture," "Seven Times"}$$

- From *US Totality Eclipse 8/21/17* to *1st day Passover Morning 4/8/31* are **4,979 days**

$$4979 = 13 \text{ "One" "Love"} \times 383 \text{ "For an everlasting light," "Sign"}$$

The first natural division of the entire [Decalogue](#) is to gather all Ten Commandments as understood by the Christians - **HoloDec(I_b: X)** - separating only the introductory **HoloDec(I_a)** from the rest. The result is stunning. But to appreciate it, we first need to take a look at this magnificent promise from Isaiah 60.19f:

*The sun shall be no more thy light by day; neither for brightness shall the moon give light unto thee: but the LORD shall be unto thee an **everlasting light**, and thy God thy glory. Thy sun shall no more go down; neither shall thy moon withdraw itself: for the LORD shall be thine **everlasting light**, and the days of thy mourning shall be ended. Thy people also shall be all righteous: they shall inherit the land for ever, the branch of my planting, the work of my hands, that I may be glorified.*

There could be no greater promise than this, in light of the deadly perfection of God's Law. The words "everlasting light" occur twice, both times prefixed with Lamed, meaning "for an everlasting light." This yields the Number [383](#). Without the Lamed, we arrive at the phrase "Everlasting Light" and the Number [353](#). Both of these numbers are prime, and both play key roles in the Structure of the Decalogue:

Everlasting Light		For an Everlasting Light
= 353		לאור עולם = 383
Aur Olam		L'Aur Olam

➤ From Spiritual Judgement 5/21/11 to Day 1 Passover 4/7/31 are [7,261 days](#)

7261 = [53](#) "Prophet," "Message" "Jubilee" x [137](#) "The Seventh," "Tittle"

As done previously, we will add the Hebrew and Gregorian years for Passover 2031

Hebrew year	5791
Gregorian year	<u>2031</u>
	7822 = 2 x 3911 > Prime # 541

[541](#) is the Tenth Hexagonal Star number and holds the value for "Israel, "The Commandments," "Tablets of Stone" and "The Lord is in this place."

[3911](#), the 541st prime holds the value for 2 Chronicles 30:13, a reference to keeping the Passover.

And there assembled at Jerusalem much people to keep the feast of unleavened bread in the second month, a very great congregation. {2 Chr 30:13}
